## **Bakhtinskii Sbornik:**

*Bakhtin and cultural theory* Ken Hirschkop, David Shepherd, 2024-06-04 An important collection of essays which treats Bakhtin as a provocative theorist whose work must be tested explored and compared with the work of others Contributors assess Bakhtin's contribution to difficult issues of colonialism feminism reception theory and theories of the body amongst others New articles explore the origins previously unacknowledged of Bakhtin's theory of language and provide a vivid account of the dramatic scandal surrounding Bakhtin's thesis on Rabelais Contains dramatic new material drawn from post perestroika sources which demythologizes the image of this important writer A new bibliographical essay and introduction bring the English language reader up to date with the progress of Bakhtin studies in Russia

### **Christianity in Bakhtin**

Ruth Coates, 1999-02-13 The work of the great Russian theorist Mikhail Bakhtin has been examined from a wide variety of literary and theoretical perspectives None of the many studies of Bakhtin begins to do justice however to the Christian dimension of his work *Christianity in Bakhtin* for the first time fills this important gap Having established the strong presence of a Christian framework in his early philosophical essays Ruth Coates explores the way in which Christian motifs though suppressed continue to find expression in the work of Bakhtin's period of exile and re-emerge in texts written during the time of his rehabilitation Particular attention is paid to the themes of Creation Fall Incarnation and Christian love operating within metaphors of silence and exile concepts which inform Bakhtin's world view as profoundly as they influence his biography

*The First Hundred Years of Mikhail Bakhtin* Caryl Emerson, 2018-06-05 Among Western critics Mikhail Bakhtin 1895-1975 needs no introduction His name has been invoked in literary and cultural studies across the ideological spectrum from old-fashioned humanist to structuralist to postmodernist In this candid assessment of his place in Russian and Western thought Caryl Emerson brings to light what might be unfamiliar to the non-Russian reader Bakhtin's foundational ideas forged in the early revolutionary years yet hardly altered in his lifetime With the collapse of the Soviet system a truer sense of Bakhtin's contribution may now be judged in the context of its origins and its contemporary Russian reclamation A foremost Bakhtin authority Caryl Emerson mines extensive Russian sources to explore Bakhtin's reception in Russia from his earliest publication in 1929 until his death and his posthumous rediscovery After a reception history of Bakhtin's published work she examines the role of his ideas in the post-Stalinist revival of the Russian literary profession concentrating on the most provocative rethinking of three major concepts in his world dialogue and polyphony carnival and outsideness a position Bakhtin considered essential to both ethics and aesthetics Finally she speculates on the future of Bakhtin's method which was much more than a tool of criticism it will tell you how to teach write live talk think

### **Bakhtin Between East and**

**West** Karine Zbinden, 2017-12-02 Mikhail Bakhtin 1895-1975 has had an enormous influence on literary studies and cultural theory *Bakhtin between East and West* Cross Cultural Transmission looks beyond the concepts of carnival and dialogue and traces for the first time the transformation of the Bakhtin Circle's thought from its introduction to the West in Julia Kristeva's

seminal late 1960s theory of intertextuality through Tzvetan Todorov's landmark study and on to contemporary interpretations. The notion of sociality in all its problematic complexity provides the red thread guiding us through this historical and thematic examination of Western and Russian Bakhtin studies. As a critical evaluation of Bakhtin scholarship across various cultures and a celebration of the vigour of the Circle's legacy, this is an invaluable resource for scholars and students with an interest in Bakhtin and critical theory. *Dostoevsky Studies*, 2005 *Bakhtin and the Classics* Robert Bracht Branham, 2002. The authors, eminent classicists and distinguished critics of Bakhtin, put Bakhtin into dialogue with the classics and classicists into dialogue with Bakhtin. Each essay offers a critical account of an important aspect of Bakhtin's thought and then examines the value of his approach in the context of a significant area of literary or cultural history. Beginning with an overview of Bakhtin's notion of carnival laughter, perhaps his central critical concept, the volume explores Bakhtin's thought and writing in relation to Homer's epic verse and Catullus's lyric poetry, ancient Roman novels and Greek philosophy from Aristotle's theory of narrative to the work of Antiphon the Sophist. **Russian Studies in Literature**, 1997

The Master and the Slave Galin Tihanov, 2000. Lukacs and Bakhtin emerge from the book as thinkers whose intellectual careers followed strikingly similar paths. They both were confronted with similar agendas and questions posed for them by their time. Bakhtin, however, had to find answers not only for this common agenda but also to the answers that Lukacs himself had already provided. **BOOK JACKET** In Other Words Stephan Hardwick Blackwell, 2002 **Russian Studies in Philosophy**, 2004 Bakhtin and Religion Susan M. Felch, Paul J. Contino, 2001. The dimension of religion in the life and work of Bakhtin has been fiercely contested and willfully ignored by critics. Unique in its in-depth focus on this subject, *Bakhtin and Religion* brings together leading British, American and Russian scholars to investigate the role of religious thought in shaping and framing Bakhtin's writings. These essays provide an overview of Bakhtin's attitude toward religion in general and Russian Orthodoxy in particular, addressing topics ranging from how Bakhtin's religious ideas informed his linguistic and aesthetic theories to the idea of love in his secular and religious thought and to the religious component of Bakhtin's theory of laughter. *Face to Face* Carol Adlam, 1997-06. The writings of Mikhail Bakhtin currently exert an influence across an extraordinarily wide range of disciplines, from history and philosophy to psychology and literature in both Russia and the West. So far in the West, this dissemination of Bakhtinian thought has proceeded with little or no awareness of contemporary approaches to Bakhtin in his homeland. This collection offers unprecedented access to leading Russian research in juxtaposition with important Western scholarship on Bakhtin. Taking its cue from Bakhtin as founder of dialogical criticism, this book aims to stimulate dialogue across disciplines and national boundaries. By unsettling our more familiar understandings of Bakhtin, the collection will generate new approaches to this seminal twentieth-century thinker. **BOOK JACKET** **Bakhtin & His Intellectual Ambience** Bogusław Żyłko, 2002 **Serials in the British Library** British Library. Bibliographic Services Division, 1998 *Tolstoy Studies Journal*, 2001 *Revue internationale de philosophie*

,2009 **The Bakhtin Circle** Craig Brandist,2002-05-20 The group of intellectuals that surrounded literary theorist Mikhail Bakhtin has come to be known as the Bakhtin Circle and have come to be quite influential in the field of cultural criticism Brandist Bakhtin Centre Sheffield U UK examines the sources of their thinking arguing that they were significantly less innovative in thought than many might suppose He characterizes the Circle s contribution as an ongoing engagement with several intellectual traditions attempting to put that engagement into the context of the social and political circumstances surrounding them Distributed by Stylus Publishing Annotation copyrighted by Book News Inc Portland OR Dialogue and Rhetoric Ingunn Lunde,1999 Journal of Narrative Theory ,2002 Cultural studies critical theory poststructuralism feminist theory new historicism Dialogues on Bakhtin Mika Lähteenmäki,1998

## **Bakhtinskii Sbornik** Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Bakhtinskii Sbornik**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
