Benjamin Franklin Rae Katherine Eighmey, 2018-01-16 In this remarkable work Rae Katherine Eighmey presents Franklin's delight and experimentation with food throughout his life. At age sixteen he began dabbling in vegetarianism. In his early twenties, citing the health benefits of water over alcohol, he convinced his printing press colleagues to abandon their traditional breakfast of beer and bread for water gruel, a kind of tasty porridge he enjoyed. Franklin is known for his scientific discoveries, including electricity and the lightning rod, and his curiosity and logical mind extended to the kitchen. He even conducted an electrical experiment to try to cook a turkey and installed a state-of-the-art oven for his beloved wife Deborah. Later in life, on his diplomatic missions, he lived fifteen years in England and nine in France. Franklin ate like a local. Eighmey discovers the meals served at his London home away from home and analyzes his account books from Passy, France, for insights to his farm-to-fork diet there. Yet he also longed for American foods. Deborah sent over favorites, including cranberries, which amazed his London kitchen staff. He saw food as key to understanding the developing culture of the United States, penning essays presenting maize as the defining grain of America. *Stirring the Pot with Benjamin Franklin* conveys all of Franklin's culinary adventures, demonstrating that Franklin's love of food shaped not only his life but also the character of the young nation he helped build.

Joey Green's Amazing Pet Cures Joey Green, 2011-04-26 From the man who knows how to fertilize houseplants with Jell-O and give someone a dry shampoo with Quaker Oats comes the first book of pet care tips that tackles everyday pet illnesses, quirky behaviors, and animal smells and stains by tapping into the power of brand-name products. The ever-inventive Joey Green presents fun and offbeat remedies for a wide range of pet troubles, from bad breath and skunks to hot spots and ticks. Who would have guessed that ChapStik stops a nail bleed or that Listerine can quell itching? Why not forego expensive and toxic flea sprays and use Dawn dishwashing liquid or Johnson's Baby Powder as a treatment instead? Even though these tips sound quirky, use Smirnoff vodka to clean your pet's ears; they really do work because many brand-name products contain soaps, degreasers, emollients, and moisturizers to soothe, clean, dissolve, and heal quickly and safely. Joey Green's *Amazing Pet Cures* makes a great gift for pet lovers and is a practical guide for anyone looking for simple and easy shortcuts to live the good life with a pet.
