The Cup in Hand Zai Xiaz, 2022-10-26 *The Cup in Hand* is a series of poems and interjecting thoughts conveying the varying perspectives of love and hate as well as their blends Life is a continuous balancing act of these polar emotions Why can't one be full of love and stagnate in its glory Why can't one steam and boil in lifelong hatred There is frivolity in having to balance the emotions to even keeping the negative ones at hand But just as darkness brings value to light hate and its sub emotions bring value to love and its sub emotions The purpose of this book is to help guide one's cup to the fountain of love What will you fill your cup with

Balancing Act 2, 2018

On The Ledge Lois Gail, 2011-04-18 I started writing these poems as a way to work through fear sadness and anger I was carrying with me from my childhood As I wrote I began to see how so many of my adult life decisions were made based on protecting that scared lonely little girl So next I reviewed the men I had

chosen to be part of my life the who why when What a pattern I saw there Not so good a pattern So more poems When I had my two children I now had the motivation to push further past the fear and stupidity of the earlier parts of my life and see my way through to being able to raise my children differently than I had been raised Writing these poems brought many tears some wonderful memories and a lot of insight into how I direct my future and destiny **Balancing Act** Terry

Persun,2020-08-09 The main point about these poems is deep emotion and concrete theme We notice very impressive ardour of imagination in these poems Juxtapositions Khuong Ba Pham,2023-02-10 Juxtapositions A Balancing Act of Emotion and Ideas is a thought provoking collection of poems that explores the duality of life s experiences Through the lens of juxtaposition the poems delve into contrasting emotions and conflicting ideas illuminating the beauty in the delicate balance of life s contradictions This book invites the reader to reflect on the complexities of our existence as each poem beautifully captures moments of both happiness and sadness excitement and boredom and hope and despair Through its insightful and powerful words the reader will find a harmonious connection between the seemingly disparate parts of life and discover that they can coexist in a state of balance and grace Whether you are seeking to find peace in your own life or simply appreciate the complexities of existence this poetry book is a must read for anyone who desires a deeper understanding of the

juxtapositions that shape our lives **Balancing Act** Sydney Leclerc,2023-01-17 Sydney Leclerc s Balancing Act is about how we feel both joy and anxiety at the same time These are plain speaking poems of family grief growing up relationships change and the whole darn thing The honesty and purity of these poems touch us deeply in their vulnerability Leclerc s images are bittersweet childhood memories I grew up in the front seat of Dad s pickup truck fell asleep as he plowed And writing about her mother Moon to the ocean always in motion There are also haunting and beautiful images It s a nightmare and you re a statue and The moon the stars the sea We are my favorite trilogy But more than anything it is a book about the wonder that is love as Leclerc says To love until your heart implodes Dan Sklar author of Flying Cats actually swooping

The Balancing Act Miriam Rieback,2022-09-13 Have you ever wondered what life looks like through the lens of depression This is my life during the darkest days of my depression described through poetry We all feel lonely sad and tired and it is important to be allowed to feel those things There will come better days but taking the time to breathe in and give in to your feelings is the first step toward healing Writing poems was how I got through my restless days and sleepless nights Included in this short collection of poems are some of my most intimate thoughts that I didn t want anyone to know until now Sharing them with you I hope that you will feel less lonely and have more compassion for yourself We all stumble We all fall We all try our best The more I see the more I grow the less and less I seem to know Only that Life is just a balancing act Achinoam Nini Noa *Balancing Act* Pearl Ahnen,1997 **A Balancing ACT** Jim McGarrah,2018-05 A Balancing Act is the fifth book of poetry by award winning poet Jim McGarrah With new and selected work this book explores the cultural landscape of America both past and present These poems take readers on a journey through the gritty backroads of America

through a childhood fraught with beautiful tension the experiences of a soldier in Vietnam and its aftermath and the reflections of a man who has seen both himself and the world around him change Part beat part confessional and part jazz these poems memorize with craft wit and perhaps most poignant their honesty **Balancing Acts** Frank Ferguson, 2023-02-15 **Balancing Acts** gathers together interviews and conversations between Gerald Dawe and a wide cast of interlocutors between 1995 and 2020 Drawn from exchanges on television and radio print and online media these conversations with fellow poets critics journalists colleagues and friends are a testament to Dawe s generous open hearted and open minded approachability as a poet for whom the artful way of making poetry has always been informed by an attitude of just getting on with it In the same way that memory for him is not just about the past but involves a route into the present these fascinating interviews and conversations provide an insight into the poet on the go in the process of making unforgettable poetry happen
