## **Balham To Bollywood:**

*Balham to Bollywood* Chris England, 2002 For most actors the idea of going to India for eight weeks to act in a Bollywood epic shot in the middle of a desert would send them scurrying back to their agent asking for some other work any other work But not Chris England He runs his own cricket team an England XI and since he was given the part of a cricketer in a British Army team playing against a small Indian village a hundred years ago he wouldn't just be working he would be representing his country at his favourite sport This is a cricket tour diary with a difference as Chris England charts the progress of the film from his audition in a London park to the film's release 18 months later The author's ability to evoke the landscape and atmosphere of India is complemented by his skill in bringing to life the bizarre and often very funny world of film making
