William Smith ...* William Smith (quaker.),1675 **The Balm of Gilead; Or, the Recovery of Man's Fall by Redemption** Thomas H. Holmes,1847 **Balm from Gilead** William Smith,1675 The Congregationalist ,1913 Balm in Gilead M. K. Hammond,2007-05-01 With Balm in Gilead M K Hammond guides us through the life and the writings of the prophet Jeremiah recorded in the biblical book that bears his name Soon after the Babylonians conquer Judah and appoint a new king in Jerusalem Hammond notes the prophet begins to keep a diary Concurrently he writes letters to his uncle Shallum who is deported to Babylon with the first group of Hebrew captives In what Hammond calls flashbacks Jeremiah records memories from his early childhood recalls his first temple sermon delivered when he was only seventeen years old and recounts episodes from the turbulent reigns of previous kings His writings tell of sinful behavior he sees all around him including idol worship corruption among princes and priests adultery child sacrifice and cannibalism Hammond explores the tension between on the one hand Jeremiah s powerful sermons illustrated with striking visual signs and displays and on the other hand Jeremiah s agony over his call to be a prophet to whom no one listens Jeremiah agonizes over his call because his enemies including his own brothers try to kill him At times even the Lord it seems has deserted him Yet Hammond asserts the prophet finds hope when a new governor is appointed in Judah and when his uncle tells him of the exiled Jews loyalty to their God even at risk of their lives Jeremiah expresses hope for a new covenant with God new leadership by faithful kings and priests and return of all God s people to Zion **There is a Balm in Gilead** Theodore J. Jansma,1976 Balm of Gilead Adina Senft,2015-07-21 The third installment in the Healing Grace series finds young Amish widow Sarah Yoder facing her greatest challenge herself Sarah Yoder hasn t seen Henry Byler since he became engaged to an Englisch woman which is best for her peace of mind Since Henry never joined the Amish church any relationship but a neighborly one is impossible So she stays busy with her family welcoming her son back from the ranch he s been working on in Colorado doing a little matchmaking for her sister in law and making the teas and tinctures that heal the members of her church Then Henry seeks her out desperate for a balm for his sensitive hands before his success as a potter is jeopardized and Sarah must call on every ounce of strength to deny the cry of her heart Yet there is Someone who just might have a special cure in mind a healing balm with the power to change everything But with Henry s wedding only weeks away is it already too late **Balm in Gilead** Tonia Poteat,2007 *Balm in Gilead* Don Jeffries,1992 Today we are coming to recognize that doctors teachers government officials even ministers can become chemically dependent This is the true story of one such man s desperate downward spiral of addiction to drugs prescribed by a well meaning physician and his lifelong process of recovery The Balm of Gilead ,1997 **Balm of Gilead** Lilian Barbara Yeomans,1936 There Is a Balm in Gilead Brian Reddish,2015-08-19 Do you believe thoughts and pictures can be inspired by God If so you will appreciate along with me that

this is exactly what occurred in these stories Why should this have to be and for what purpose A good question Let us give a particular scenario If you saw a little child crying after falling down or the expression of pain written across the face of an old lady struggling with arthritis in her legs whilst carrying shopping would you feel anything within yourself and wish you could help somehow There would probably be two types of responses to these situations One person might feel the situation required help but would simply walk on by thinking Oh what a shame Another person perhaps herself a mother of a child of similar age would rush with immediate concern to help as if identifying herself personally with the child s need and pain and feeling it all the more because she has a child herself Further the struggling old lady would also be treated with practical passion and offered help in some way Both people saw and felt the pain exhibited before them but only the second was prepared to act outside the box without any sense of inconvenience reserve or embarrassment Well I believe God is like the second person Remember the story Jesus told of The Good Samaritan God has compassion It is part of His agape love towards each one and this is all included in that Golden Rule do to others as you would have them do to you There exists much pain and suffering in the world today Each one of the stories in this book will take the reader into observing some of the needs of others The reader must imagine for themselves what God might say or do to remedy these needs This is what I mean by having inspired thoughts and pictures God seeks to choose people who will see as he sees feel as He feels and act upon situations just as He would If I say I love God then I must learn to love what He loves PEOPLE Jesus Is There No Balm in Gilead?
