Closing Time Joe Queenan,2009-04-16 An affecting memoir from one of America's most provocative humorists Over the past two decades Joe Queenan has established himself as a scourge of everything that is half baked half witted and halfhearted in American culture In Closing Time Queenan turns his sights on a more serious and a more personal topic his childhood in a Philadelphia housing project in the early 1960s By turns hilarious and heartbreaking Closing Time recounts Queenan's Irish Catholic upbringing in a family dominated by his erratic alcoholic father and his long flight away from the dismal confines of his neighborhood into the greater wide world A story about salvation and escape Closing Time has at its heart the makings of a classic American autobiography

Pathway to Freedom Alistair Begg,2021-10-05 God's code of conduct is as relevant and insistent today as it's always been The landscape of contemporary society reveals that we neither know nor care much about the Law of God There is A general lawlessness in the lives of professing Christians An absence of the fear of God in public worship and private living A growing confidence in ourselves and doubt concerning God and His Word Amidst this moral crisis the message of the Ten Commandments can give us order direction and hope With dynamic implications for how each of us lives every day Pathway to Freedom will challenge you to think long and hard about the significance of God's Law We have entered into a time of moral crisis in our culture and in the church as well Stories about divorce adultery and the individualized picking and choosing of doctrines abound Pathway to Freedom is forthright and necessary teaching that today's church cannot afford to ignore How now shall we live The beginning of the answer must be in obedience to God's moral law summarized in the Ten Commandments CHARLES COLSON PRISON FELLOWSHIP MINISTRIES WASHINGTON D C

Hollywood and the Baby Boom James Russell,Jim Whalley,2017-12-28 Between 1946 and 1964 seventy five million babies were born dwarfing the generations that preceded and succeeded them At each stage of its life cycle the baby boom's great size has dictated the terms of national policy and public debate While aspects of this history are well documented the relationship between the baby boom and Hollywood has never been explored And yet for almost 40 years baby boomers made up the majority of Hollywood's audience and since the 1970s boomers have dominated movie production Hollywood and the Baby Boom weaves together interviews with leading filmmakers archival research and the memories of hundreds of ordinary filmgoers to tell the full story of Hollywood's relationship with the boomers for the first time The authors demonstrate the profound influence of the boomers on the ways that movies were made seen and understood since the 1950s The result is a compelling new account that draws upon an unprecedented range of sources and offers new insights into the history of American movies

[The Post-Truth Era](#) Ralph Keyes,2004-10-03 Politicians aren't the only ones who lie The bestselling author of *Is There Life After High School* explains

America's unusually high tolerance for deceit How Freakin' Zeitgeist Are You? Murray Lachlan Young, 2017-04-20 How Freakin' Zeitgeist Are You is the definitive collection of Murray Lachlan Young's poems from 1994 to the present day. It tracks his career as a writer and performer from his arrival as a wide-eyed twenty-something in London through his sideways look in and around the music, fashion, and film businesses, as well as a few observational works from what he now refers to as his Cornwall years. From his humorous and witty take on social phenomena to dark commentary on today's society, Murray covers a wide range of topics from the weather, hair, and machines to the UK festival culture, sex, men's issues, pop music, and God. The book also contains sixteen of his original illustrations and several of the sketch poems he was commissioned to write through his hugely popular slots as poet in residence on BBC Radio 6 Music and Radio 4's Saturday Live. Anyone who has watched or listened to Murray perform will recognise the range of his work from whimsical comedy and several darker pieces through satire into cosmology, theology, and metaphysics. Though primarily written for the ear with a radio listener in mind, his incurable addiction to rhyme is evident from the first page, and the whole collection is designed to be read out loud and shared with friends. So open it up, find the beat, and enter the strange and marvellous world of Murray Lachlan Young.

New York Stories Constance Rosenblum, 2005-05-01 These forty essays from the New York Times City section tell stories of human life in all its quirky richness. The Boston Globe Featuring a cast of stellar writers, this collection brings some of the best essays from the City section to readers beyond the five boroughs. New York Stories profiles people like sixteen-year-old Barbara Ott who surfs the waters off Rockaway in Queens and Sonny Payne, the beloved panhandler of the F train. Other essays explore memorable places from the Greenwich Village townhouse blown up by radical activists in the 1970s to a basketball court that serves as the heart of its Downtown neighborhood. The forty essays collected here reflect an intimate understanding of the city, one that goes beyond the headlines. The result is a passionate, well-written portrait of a legendary and ever-evolving place. Contributors include Andre Aciman, Thomas Beller, Laura Shaine Cunningham, Jim Dwyer, Jill Eisenstadt, Vivian Gornick, Chuck Klosterman, Robert Lipsyte, Phillip Lopate, Jan Morris, Richard Price, Joe Queenan, Suzanne Vega, Meg Wolitzer, and more. Unassuming, elegant, and suffused with a wise but unsentimental affection, The New Yorker. All of the pieces are engrossing. This is both an excellent addition to New York history and a pleasure for casual browsing. Publishers Weekly TV Guide, 2002 Mentoring Michael I. Keel, 2009 This book examines the importance of mentoring relationships. Mentoring is important to individual career development. Thus, the potential benefits of mentoring on a professional scale are addressed, regardless of career stage. Findings from a constructivist-grounded theory study that examined rural nurses' experiences of mentoring is presented in this book. Multicultural models of mentoring relationships are also examined, which are necessary given the changing demographics of our society. Recommendations for developing positive multicultural mentoring relationships and future directions in research and training are looked at as well. Furthermore, mid-career is the most appropriate period for taking on mentoring responsibilities. Thus, a conceptual analysis of

the relationships between the mentor's career stage and the mentoring process are analysed. This book also describes the attitudes, characteristics, and practices of effective mentoring of student teachers on students, as well as the effect peer mentoring has on disabled persons. Future directions of peer mentoring and disability are addressed as well.

Canadian baby boomers now range in age from their mid 40s to mid 60s. This confident and rebellious generation has broken new ground at every stage of life: late middle age and retirement will be no different. Most boomers are healthier than their grandparents could have hoped to be at the same age. Some have made the pursuit of physical, mental, and spiritual health an all-consuming occupation. They're having a great time and intend to experience the next 30 years not as a decline into infirmity but as the satisfying second half of their adult lives. *Stayin' Alive* will look into the future and speculate what the aging of the boomers will mean for public policy, consumer marketing, the world of work, investment, philanthropy, tourism, retirement, living here and abroad, health care, and the rituals associated with death.
