Bang On The Door:

A Path to Change Yesterday Nikhil Guru,2018-01-10 Everyone believes that the future is Utopia Nothing goes wrong peace is maintained and World War III never happens I can tell you first hand that is false Forget everything you ever knew about the future because it s never going to happen The air is toxic and one whiff can kill you We have nutrient injecting boxes that we use a substitute for food since a meal is too expensive Forget water since you ll not find a drop of it The earth is a barren waste land where only the largest cities have stepped up to survive Under the protection of the Dome we hide from them they who have lost humanity All this made to be by one mistake only one But we have learned an important lesson It is never too late to fix a mistake This is my story of how it came to be my story of how it s going to change This is my path
