Matthew Capala, Steve Baldwin, 2014-08-17 This Guide eBook for Website SEO Strategies to the Search Engine Optimization Industry's Secrets and How to Rank in Google Search Engine Stay There. Google has presented some really important updates in the past year as all SEO experts have noticed. Apart from the incredible encrypted search that now offers incredible keyword data, the past year has presented some new features for the Penguin, Panda, and Hummingbird updates as well. From my last Forbes interview for Internet Marketing, those interested about the SEO profession can conclude the fact that the most popular search engine in the world is creating new barriers to stop all spam techniques as much as possible. However, these last updates do not indicate the fact that the SEO professions will cease in the near future. More and more companies are trying to take their business online, so the competitiveness level has increased significantly during this time. Now is the time to obtain the most out of your company's online marketing strategies. However, companies can no longer rely on the gray hat SEO techniques to make their businesses visible in the search engines. There is a more complex point of view that covers the SEO industry at the present time, and any professional marketer should be aware of this fact. This new complex vision can be compared to a move from tactician to strategist. Hard work and a great skill of anticipation of Google's next moves is required in order to achieve success with your online business. Google has taken the game to a more complex level, but this does not mean that the digital war has stopped. If you want to accumulate some useful information that can help you to create profitable SEO strategies in 2014, you might want to read the following suggestions that I have created after mixing my researches with current efficient strategies. In this book, we are going to reveal all the information you need to know about SEO Ranking and help you in deciding the perfect understanding website optimization for your business plans for successfully top ranking in Google. What To Expect Inside: Why SEO Important, Content Marketing is at the highest level yet, Improve your business's visibility with the help of Social Media Websites, Invest in Google, The Long vs Short Debate, SEO has changed the bounds with PPC and advertising, Detrimental techniques such as link exchanges, Does that backlink count, Locating your backlinks, Eliminating poor Backlinks, Gratitude and other good habits.
