the Digital Era Prof. Reeta Kumari, Dr. Manpreet Kaur, 2025-04-28 *Essentials of Marketing Management* Dr. Ranjana Pandey Mishra, 2025-03-08 **Get Up to Speed with Online Marketing** Jon Reed, 2013-10-31 If you want to grow your business how do you get the word out about your product or service By going where your market is and these days that's online This step by step guide to online marketing is straightforward easy to understand and demonstrates simple affordable and effective ways to Design your website how to create a site and make sure your customers can find it Use social media to your advantage how to reach your market on Facebook Twitter LinkedIn Pinterest Google Instagram and more Create engaging online content how to publish valuable interesting and sharable content for your blog podcast and website Develop an online marketing plan build your customised plan and measure your results Covering every major online platform and some smaller ones too Get Up to Speed with Online Marketing will show you exactly how to maximise each one and develop a cohesive effective online strategy with a limited budget or even for free The full text downloaded to your computer With eBooks you can search for key concepts words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf available as a free download available online and also via the iPad and Android apps Upon purchase you'll gain instant access to this eBook Time limit The eBooks products do not have an expiry date You will continue to access your digital ebook products whilst you have your Bookshelf installed **Local Seo** Tom Crandall, 2016-11-17 Ever wonder how businesses rank locally when performing a Google Search I did so I set off on a mission to uncover a consistent method to help boost a business's local ranking In my very first publication Local SEO A Roadmap To Successful Local Ranking I am going to walk you through some of the best Local SEO techniques to get a business not only discovered locally but ranked Whenever you perform a Google Search Google's algorithm takes over and provides result listings that best match the criteria according to Google's page and domain ranking factors For those that don't quite understand ranking factors let me explain Each page and domain has a ranking value These are typically called Page and Domain Authority The higher the authority the higher the page will rank Google and other search engines determine a page's rank or authority based on various search metrics including content keywords number of backlinks age of the website title header tags images and so on For any given localized search the results are usually broken out by Paid Advertising Shown at the top and bottom of the listings Local Business listings Business listings from Google Maps Organic Search Results Everything else In this book Local SEO A Roadmap To Successful Local Ranking I am focusing on the Local Business Listings and how anyone using my methods can boost their local presence on the web A little bit about me My first experience with computers was on Christmas day when I opened up a game called Pong It was one of the first TV computer games and at the time it was cutting edge Fast forward a bit and my dad bought an Atari 800 computer that I somehow convinced him was better than the Apple alternative Needless to say I used the Atari more than he did Fast forward a bit more and I was in college studying computer science When I graduated my first real job

was programming expert systems That job only lasted a short while and then I became a System Analyst working on all sorts of Government Projects In 2008 I moved to a place called Austin and really got my feet wet designing websites for clients During that time I also became interested in all things SEO but never really got to flex my muscles It wasn't until 2016 that I found myself unemployed and wondering what I should do in life After countless resumes failed to get traction in the job market for positions I was interested in a realization hit me that maybe I don't need a company to work for but rather work for myself My wife Kathleen and our pug Olaf were very supportive of the idea So I started a company called <http://HangTenSEO.com> with the goal to help clients out rank their competition Along the way I also started writing articles on SEO best practices which were in many ways teaching moments for me In writing the articles I really had to understand the subjects I was writing about and how to use the techniques to get the best results
