*SEO for General Contractors* Anup Sarker, 2026-03-21 *SEO for General Contractors* is a practical guide designed to help construction businesses build a strong online presence and attract more clients through search engines. In today's digital world, homeowners and property developers rely heavily on Google to find contractors, builders, and construction services. If your business does not appear in search results, you are missing valuable opportunities. In this book, SEO specialist Anup Sarker shares clear and actionable strategies to help general contractors understand how search engine optimization works and how it can generate consistent leads. Drawing on over six years of experience in digital marketing and working with businesses across multiple industries, Anup explains complex SEO concepts in a simple and practical way. This guide covers essential topics such as keyword research for construction services, local SEO strategies, optimizing contractor websites, creating content that attracts potential clients, and building authority through backlinks. It also explores how contractors can improve their visibility in Google Maps, strengthen their online reputation, and compete effectively in local markets. Unlike many technical SEO books, *SEO for General Contractors* focuses specifically on the needs of contractors, builders, and construction companies. Each chapter provides practical insights that can be applied immediately to improve website rankings and increase organic traffic. Whether you are a small local contractor or an established construction company, this book will help you understand how SEO can become a powerful tool for growing your business, generating leads, and building long-term success in the digital marketplace. In this book, you will learn how to identify profitable keywords for construction services, optimize your contractor website for search engines, rank higher in local Google searches and Google Maps, create content that attracts potential clients, build authority and trust through effective SEO strategies. *SEO for General Contractors* is the roadmap for construction professionals who want to turn their website into a reliable source of new business and long-term growth.
