Sixteen Modern American Authors Jackson R. Bryer,1989 Praise for the earlier edition Students of modern American literature have for some years turned to Fifteen Modern American Authors 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form Sixteenth Modern American Authors it will continue to be indispensable If it is not a desk book for all Americanists it is a book to be kept in the forefront of the bibliographical compartment of their brains American Studies **Henry 'Chips' Channon: The Diaries (Volume 3): 1943-57** Chips Channon,2022-09-08 The third and final volume of the remarkable Sunday Times bestselling diaries of Sir

Henry Chips Channon _____ An utterly addictive glimpse of London high society and politics in the 40s and 50s Robert Harris An instant classic quite simply the greatest social and political diaries of the 20th century Daily Telegraph Rich exuberant copious and shatteringly honest Spectator A scurrilous read Fascinating Gripping Alan Titchmarsh Chips writes with such vividness that one feels one is living each day in his exalted company The Oldie

_____ This final volume of the unexpurgated diaries of Sir Henry Chips Channon begins as the Second World War is turning in the Allies favour It ends with Chips descending into poor health but still able to turn a pointed phrase about the political events that swirl around him and the great and the good with whom he mingles Throughout these final fourteen years Chips assiduously describes events in and around Westminster gossiping about individual MPs ambitions and indiscretions but also rising powerfully to the occasion to capture the mood of the House on VE Day or the ceremony of George VI s funeral His energies though are increasingly absorbed by a private life that at times reaches Byzantine levels of complexity We encounter the London of the theatre and the cinema peopled by such figures as John Gielgud Laurence Olivier Vivien Leigh and Douglas Fairbanks Jr as well as a seemingly endless grand parties at which Chips might well rub shoulders with Cecil Beaton the Mountbattens or any number of dethroned European monarchs He has been described as The greatest British diarist of the 20th century This final volume fully justifies that accolade

Microphone Array Signal Processing Jacob Benesty, Jingdong Chen, Yiteng Huang, 2008-03-11 In the past few years we have written and edited several books in the area of acoustic and speech signal processing The reason behind this endeavor is that there were almost no books available in the literature when we first started while there was and still is a real need to publish manuscripts summarizing the most useful ideas concepts results and state of the art algorithms in this important area of research According to all the feedback we have received so far we can say that we were right in doing this Recently several other researchers have followed us in this journey and have published interesting books with their own visions and perspectives The idea of writing a book on Microphone Array Signal Processing comes from discussions we have had with many colleagues and friends As a consequence of these discussions we came up with the conclusion that again there is an urgent need for a monograph that carefully explains the theory and implementation of microphone arrays While there are many manuscripts on antenna arrays from a narrowband perspective narrowband signals and narrowband processing the literature is quite scarce when it comes to sensor arrays explained from a truly broadband perspective Many algorithms for speech applications were simply borrowed from narrowband antenna arrays However a direct application of narrowband ideas to broadband speech processing may not be necessarily appropriate and can lead to many misunderstandings *T. S. Eliot* Jewel Spears Brooker, 2004-05-10 Widely regarded as one of the most important and influential poets of the twentieth century T S Eliot was also extremely prolific T S Eliot The Contemporary Reviews is a testament to both these aspects of Eliot s work In it Jewel Spears Brooker presents the most comprehensive gathering of newspaper and magazine reviews of Eliot s work

ever assembled It includes reviews from both American and British journals Brooker expands on the major themes of the reviews and shows how the reviews themselves influenced not only Eliot but also literary history in the twentieth century
