Codex Orks:

Codex Orks Phil Kelly, 2007 Codex Armageddon Andy Chambers, 2000-07 Zones of Control Pat Harrigan, Matthew G. Kirschenbaum, 2016-04-15 A look at wargaming's past present and future from digital games to tabletop games and its use in entertainment education and military planning With examples from Call of Duty Modern Warfare Harpoon Warhammer 40 000 and more Games with military themes date back to antiquity and yet they are curiously neglected in much of the academic and trade literature on games and game history This volume fills that gap providing a diverse set of perspectives on wargaming's past present and future In Zones of Control contributors consider wargames played for entertainment education and military planning in terms of design critical analysis and historical contexts They consider both digital and especially tabletop games most of which cover specific historical conflicts or are grounded in recognizable real world geopolitics Game designers and players will find the historical and critical contexts often missing from design and hobby literature military analysts will find connections to game design and the humanities and academics will find documentation and critique of a sophisticated body of cultural work in which the complexity of military conflict is represented in ludic systems and procedures Each section begins with a long anchoring chapter by an established authority which is followed by a variety of shorter pieces both analytic and anecdotal Topics include the history of playing at war operations research and systems design wargaming and military history wargaming's ethics and politics gaming irregular and non kinetic warfare and wargames as artistic practice

Race and Popular Fantasy Literature Helen Young, 2015-08-11 This book illuminates the racialized nature of twenty first century Western popular culture by exploring how discourses of race circulate in the Fantasy genre It examines not only major texts in the genre but also the impact of franchises industry editorial and authorial practices and fan engagements on race and representation Approaching Fantasy as a significant element of popular culture it visits the struggles over race racism and white privilege that are enacted within creative works across media and the communities which revolve around them While scholars of Science Fiction have explored the genre's racialized constructs of possible futures this book is the first examination of Fantasy to take up the topic of race in depth The book's interdisciplinary approach drawing on Literary Cultural Fan and Whiteness Studies offers a cultural history of the anxieties which haunt Western popular culture in a century eager to declare itself post race The beginnings of the Fantasy genre's habits of whiteness in the twentieth century are examined with an exploration of the continuing impact of older problematic works through franchising adaptation and imitation Young also discusses the major twenty first century sub genres which both re use and subvert Fantasy conventions The final chapter explores debates and anti racist praxis in authorial and fan communities With its multi pronged approach and innovative methodology this book is an important and original contribution to studies of race Fantasy and twenty first century popular culture

Warhammer 40,000 The Ultimate Guide Gavin Thorpe, Guy Haley, 2024-10-29 The first ever Warhammer 40 000 encyclopedia is here Dive into the vast universe of
