Cognitive Development George E. Forman, Irving E. Sigel, 1979      Life Span Human Development Carol K. Sigelman, Linda De George, Kimberley Cunial, Elizabeth A. Rider, 2018-09-01 The third edition of Life Span Human Development helps students gain a deeper understanding of the many interacting forces affecting development from infancy childhood adolescence and adulthood It includes local multicultural and indigenous issues and perspectives local research in development regionally relevant statistical information and National guidelines on health Taking a unique integrated topical and chronological approach each chapter focuses on a domain of development such as physical growth cognition or personality and traces developmental trends and influences in that domain from infancy to old age Within each chapter you will find sections on four life stages infancy childhood adolescence and adulthood This distinctive organisation enables students to comprehend the processes of transformation that occur in key areas of human development This text also includes a MindTap course offering with a strong suite of resources including videos and the chronological sections within the text can be easily customised to suit academic and student needs      **Essentials of Human Development: A Life-Span View** Robert V. Kail, John C. Cavanaugh, 2016-01-01 ESSENTIALS OF HUMAN DEVELOPMENT A LIFE SPAN VIEW 2nd Edition fills the need for a shorter text that emphasizes the essential defining features of modern research and theory in human development Using a modified chronological approach and emphasizing the biopsychosocial framework the text provides a readable account of human development across the life span conceptual foundations that enable students to become critical interpreters of developmental information and an introduction to relevant research and its application to key issues The text also emphasizes the application of human development research across diverse professional settings making it ideal for students who are pursuing a career related to psychology or areas such as education health and human sciences Succinct and filled with real life examples this text will capture your students interest while introducing them to the essential issues forces and outcomes that make us who we are Important Notice Media content referenced within the product description or the product text may not be available in the ebook version      Human Development Robert V. Kail, John C. Cavanaugh, 2000 With skill and enthusiasm respected authors and noted researchers Robert V Kail and John C Cavanaugh tell a comprehensive and engaging story of life in HUMAN DEVELOPMENT A LIFESPAN VIEW SECOND EDITION Experts in child development and adulthood and aging respectively Kail and Cavanaugh relate the fascinating story of the human lifespan Their streamlined approach eliminates the redundancy of describing the lifespan via the traditional organizational structure used by many texts for the course Instead Kail and Cavanaugh employ a four part structure that covers early childhood the school years the working raising children years and later life This accurate and lively depiction of the developmental process helps students make better sense of our most intriguing and intricate journey life Providing full coverage of child and adult development within a modified chronological framework Kail and Cavanaugh help students make

the connections between chapters by emphasizing the dynamic interplay of biological psychological and social forces on development This integrated biopsychosocial approach not only address the needs of many instructors but also helps students understand how each element of development impacts the others And unlike other lifespan texts which devote 40% or less of their coverage to adulthood and aging HUMAN DEVELOPMENT A LIFESPAN VIEW devotes as much coverage to adulthood and aging as to childhood and adolescence all in 15 manageable chapters **Human Development** Robert V. Kail,John C. Cavanaugh,2010 The authors provide theoretical and empirical foundations that enable students to become educated critical interpreters of developmental information A blend of basic and applied research as well as coverage of controversial topics and emergent trends demonstrates connections between the laboratory and life *Human Development* Robert V. Kail,John C. Cavanaugh,2020-01-07 Feel intimidated by the life span course You re in good hands with HUMAN DEVELOPMENT A LIFE SPAN VIEW 8th Edition as your guide Complete yet succinct and filled with real life examples that aid understanding the text has proven its ability to capture students interest while introducing them to the issues forces and outcomes that make us who we are The efficient organization chronological but with a few chapters on key topical issues allows this text to be briefer than many other texts for the same course The material is relevant too You ll gain the foundations in important theories and research that enable you to become an educated interpreter of developmental information in your future career In addition basic and applied research along with controversial topics and emergent trends demonstrate connections between the laboratory and life *Life Span Human Development 4e* Carol K. Sigelman,Linda De George,Kimberley Cunial,Mark Kohler,Nadine Ballam,Elizabeth A. Rider,2021-10-01 Life Span Human Development is about the development of human beings from conception to death It highlights similarities as well as differences in developmental stages and it asks fundamental questions about why we humans develop as we do Taking a unique integrated topical and chronological approach each chapter focuses on a topic or domain of development such as physical growth cognition or personality and traces developmental trends and influences in that domain from infancy to old age Premium online teaching and learning tools are available on the MindTap platform Learn more about the online tools au cengage com mindtap
