Cogwheels And Other Stories:

Cogwheels and Other Stories Ryunosuke Akutagawa,1982 **Cogwheels and Other Stories** Ryunosuke Akutagawa,2014-11 From the literary giant of Japan who is often referred to as the Godfather of the Japanese short story and after whom the most coveted literary prize of Japan is named the Akutagawa Prize comes this collection of three of his greatest short stories Akutagawa is probably best known for his story Rasho mon which was adapted for the screen by legendary filmmaker Akira Kurosawa While he died at the young age of 35 the author penned well over 150 short stories including Cogwheels which he wrote just before his suicide in 1927 Accompanied by stunning woodcuts by renowned artists Naoko Matsubara and expertly translated by Howard Norman the three stories compiled here reflect the haunting precise and brilliant style of Akutagawa and offer a superb entry point to his work Haruki Murakami aptly described Akutagawa s writing when he remarked the flow of his language is the best feature of Akutagawa s style Never stagnant it moves along like a living thing His choice of words is intuitive natural and beautiful **Cogwheels and Other Stories** Ryūnosuke Akutagawa,1982 **Cogwheels and Other Stories** Akutagawa Ryunosuke,1995-03-01 *Encyclopedia of Literary Translation Into English: A-L* O. Classe,2000 **The Hell Screen and Other Stories** Ryunosuke Akutagawa,2025-08-12 The Hell Screen and Other Stories is a compelling collection that delves into the darker recesses of human nature moral ambiguity and the fragile boundary between art and cruelty Ryunosuke Akutagawa masterfully blends historical settings psychological insight and symbolic imagery to explore the destructive potential of obsession the corrosive effects of vanity and the inescapable presence of suffering In tales such as The Hell Screen Rash mon and The Nose Akutagawa examines the motivations that drive individuals to betray deceive or destroy often revealing that the most harrowing conflicts occur within the human mind Since its publication the collection has been praised for its precise prose layered narratives and its ability to merge traditional Japanese storytelling with modernist sensibilities Akutagawa s works engage with universal themes such as the tension between truth and perception the cost of artistic creation and the moral compromises made in pursuit of power or recognition His characters whether artists servants or nobles confront moments of extreme moral testing where the choices they make illuminate the complexities of the human condition The collection s enduring impact lies in its unflinching portrayal of the shadows that accompany ambition desire and human frailty By juxtaposing moments of beauty with acts of cruelty and by challenging the reliability of perception and narrative The Hell Screen and Other Stories invites readers to confront uncomfortable truths about the self and society In doing so Akutagawa not only cements his legacy as a pioneer of modern Japanese literature but also offers timeless meditations on the intertwined nature of morality art and the human spirit **Rethinking Japanese Modernism** Roy Starrs,2011-10-14 Edited by Roy Starrs this collection of essays by an international group of leading Japan scholars presents new research and thinking on Japanese modernism a topic that has been increasingly recognized in recent years to be key to an understanding of contemporary Japanese culture and society By

adopting an open multidisciplinary and transnational approach to this multifaceted topic the book sheds new light both on the specific achievements and on the often unexpected interrelationships of the writers artists and thinkers who helped to define the Japanese version of modernism and modernity Specific topics addressed include the literary modernism of major writers such as Akutagawa Kawabata Kajii Miyazawa and Murakami avant garde modernism in painting music theatre and in the performance art of Yoko Ono and the everyday modernism of popular culture and of new urban activities such as shopping and sports
