touch is ice to Blackbourne's fire his possessiveness rooted in intellectual obsession and a hunger that rivals the grave He offers understanding a path to wield the chaos rather than be consumed by it but his methods are as sharp and clinical as a scalpel A Pact that will bind three souls or destroy them all Now the Infernal Treaty Council is closing in drawn by the destabilizing energy of her awakening To survive the triad must descend into the terrifying depths of the Catacombs to retrieve the Key of Binding an ancient artifact guarded by spectral wards and the ghosts of a tragic past But the Key demands more than magic It requires a Synthesis Trapped between the searing possessive fire of the Incubus and the intoxicating analytical cold of the Vampire Circe must navigate a wicked geometry of desire and power She must prove that her Vicious Devotion is stronger than the entropy in her blood The curriculum has shifted The lessons are no longer about theory They are about survival And in this dark fantasy romance the final exam requires an answer to the ultimate question Will she anchor the chaos to their structure or will she let the hunger consume them all The Forbidden Ciphers The Demonic Cohort's Wicked Pact is the seventh installment in The Immortal Syllabus a high heat Dark Academia Paranormal Romance series This book features a powerful heroine coming into her legacy possessive anti heroes and a complex Why Choose dynamic where the heroine does not have to choose between her love interests Expect deep lore intense magical theory and a romance that burns through the pages
