Coin Collecting Learnabout Ladybirds:

The Ladybird Story Lorraine Johnson, Brian Alderson, 2014 It is not widely known that 2014 marks the centenary of the publication of books in The Ladybird Series by the British commercial printers Wills Hepworth From the start of the First World War to the start of the Second they published about 100 cheap and cheerful colour illustrated children s books for the popular market but only in 1940 did they fashion Bunnykins Picnic Party which was to be the first of the Ladybird Books that would come to be recognised and bought by most of the British population Lorraine Johnson and Brian Alderson trace the history of the Ladybird venture from its wobbly beginning through Wills Hepworth s triumphant management of the series up to its sale in 1972 with further chapters on the last decades at the printworks in Loughborough down to 1999 A comprehensive bibliography of books edited under the Wills Hepworth imprint gives ample evidence of their catering for children at all stages of development a central element in the millions of books that they sold The many illustrations mostly in colour give convincing support to the reasons for their popularity

Wheeler's Kits, Games, and Manipulatives for the Elementary School Classroom Andrea C. Hoffman, Ann M. Glannon, 1993 This comprehensive sourcebook which identifies and locates kits games and manipulatives is organized into broad subject areas including reading and language arts mathematics social studies science and health and the arts Some 1 500 entries provide physical descriptions of the materials and

Foundations of Mathematics Carole Skinner, Judith Dancer, 2013-06-20 Foundations of Mathematics outlines seven strands of practice which underpin successful mathematical development in children aged 3-7 Early years mathematics specialists Carole and Judith draw on their experience of working with early years practitioners including consultants and advisers across the UK and internationally The book is completely up to date and embeds the Revised Early Years Foundation Stage throughout the book The book brims with multi sensory ideas that will trigger children s curiosity measuring using sand mousse hunting for buried treasure and building secret dens outdoors There are activities that involve playing and exploring games to make learning active and experiences to develop creative and critical thinking Alongside these practical experiences and activities are clear explanations of the reasoning behind the ideas with clear guidance on the role of the practitioner and Home Challenges to promote the engagement of families The authors provide straightforward advice to support the development of a mathematically enriched learning environment and ideas to help children transfer learning into their own child initiated play to build a genuine and solid foundation for mathematics
