Coins of Tipu Sultan George P. Taylor, 1989 **The Coins of Haidar Ali and Tipū Sultān** John Robertson Henderson, 1921 *The Coins of Haidar Ali and Tipu Sultan (Classic Reprint)* John Robertson Henderson, 2015-07-21

Excerpt from *The Coins of Haidar Ali and Tipu Sultan* This account of the coins of Haidar Ali and Tipu Sultan is largely based on the collection of the Madras Government Museum which so far at least as the copper issues are concerned is probably one of the most complete in existence I have however also taken other sources into account such as the works of previous writers the large collections of the British Museum London and the Mysore Government Museum at Bangalore as well as private collections I regret that the notes which I took on the occasion of my visits to the two institutions just referred to are not as complete as I could have wished and I have not been able to revisit these collections in recent years The letter M following the number of a coin indicates that it is represented in the collection of the Madras Museum In cataloguing the somewhat complicated issues of Tipu Sultan I am convinced that if confusion is to be avoided the only safe course is to arrange the coins according to mints In leaving the size of the coins to be inferred from the plates and making comparatively little reference to their weight I have perhaps laid myself open to adverse criticism but as most of the coins were roughly struck there are frequent variations in their size and to some extent also in their weight I have tried to indicate the chief variations in weight without giving unnecessary details in regard to individual specimens In an attempt to indicate the relative scarcity or abundance of the different coins I have perhaps ventured on an innovation in works of this kind I have however attempted to do so on account of exceptional opportunities for forming such an opinion during a period of over quarter of a century many thousands of these coins collected from all parts of Southern India have passed through my hands About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Tipu Sultan- The Tyrant of Mysore Sandeep Balakrishna,2015-01-28 This book is part of a series of books aimed at disseminating the accurate history of India drawn from the primary sources History writing especially about the medieval Muslim rule has been fraught with political correctness controversy and in several cases downright falsification This has occurred mostly with official state patronage As a result any attempts to correct this course has been virulently opposed with the result that most urban educated Indians have now internalized a politically correct version of Indian history The history of Tipu Sultan too stands as a glaring instance of this distorted historical narrative Indeed we have seen read and heard about a lot of people claiming to be freedom fighters and receiving pensions from the Government Several of these worthies would not have been born before Independence yet they succeed in such blatant manipulations There are instances of portraying certain rulers and chieftains as true heroes who fought against the British Empire One such ruler happens to be Tipu Sultan Tipu Sultan is widely known as the Tiger of Mysore Indeed the image of Tipu battling a tiger barehanded crosses the mind whenever his name is mentioned But is this the truth Was Tipu Sultan truly the warrior as he has been portrayed What exactly is his record of fighting the British Was he really a freedom fighter as is widely claimed Sandeep Balakrishna in this well researched book explores both the myths and the truth surrounding Tipu Sultan A must read for those who wish to learn the true story of Tipu Sultan *Journal and Proceedings of the Asiatic Society of Bengal Asiatic Society (Kolkata, India),1924* Includes indexes to Numismatic supplements **The Dominions, Emblems, and Coins of the South Indian Dynasties** Robert Pilkington Jackson,1913 **The Coins of Haidar Ali and Tipū Sultān** John Robertson Henderson,Government Museum (Chennai, India),1921
