Cold Days:

The Cold Days James Howerton, 2011-03-29 I will die up here in the high mountains she thought And be like Solanda Mothers old friend who vanished as the deer vanish A demon tricked me by looking like a boy You climb too high the hunter said squatting down on his haunches and leaning against a boulder Nothing eat up here Mira finally got her voice Why are you here I follow you He smiled Mira stared down the great mountain knowing she was trapped that she had climbed too high where monsters are He had stalked her like a deer And she had been as foolish as a deer To kill me He gave her a surprised then puzzled look Why I want to kill you To give the gods their sacrifice He looked at her for a long time and Mira felt strange He was handsome his hair and beard night black his blue eyes arrogant confident A smile that was very close to a smirk He was a savage looking boy but she saw that he was a boy not two seasons older than her His deerskin leggings were well used and torn ragged made by skillful hands but not any of the river tribes Slung over his back was a very ornate spear thrower A brace of feathered arrows in a wolfskin pouch flared out of his back His right fist gripped a long spear crowned with a tooth of flint Rawhide thongs belted his leggings on his waistbelt a stone hatchet and long stone knife were strapped His arms and legs rippled with savage muscles Mira clutched her little pointed stick She edged down the mountain slope to see what he would do Why did you follow me He was a shadow now against the boulder but she could see his white teeth grinning You are very pretty he called out of the evening He didnt follow her He wasnt going to hurt her She scuttered down the slope grinning now heart pounding and sudden blood in her face What he said to me You climb too high Pretty One his voice echoed behind her making a crazy thrill in her stomach Run home before it gets dark Her face burned red Why she called grinning over her shoulder Because a knife tooth has come to this mountain
