Cold Kill:

Cold Kill Jack Olsen, 2020-05-28 David loved Cindy and was loved in return Or so he thought The troubled young man clung to his new love and dreamed of their future together So begins the chain of events that was to evolve into a horror of terrifying proportions Jack Olsen bestselling author of Son now reveals the details of a true life romance gone hideously awry After weeks of planning the young misfits from two fine old Texas families donned grotesque battle gear and crept into the luxurious home where Cindy Ray s parents lay asleep with her two small sons In the hot muggy room the cold kill was over in seconds Everyone who knew the unpredictable Cindy suspected that she was involved but the ghastly crime had been so carefully orchestrated that Houston s top homicide detectives could get nowhere Cindy wore black and sobbed at the funeral then began a frenzied attempt to collect her inheritance and as many of her wealthy parents possessions as she could haul away No one except David West was surprised when she walked out on him Then the story took another bizarre turn In a final bid to solve the case a seductive young private investigator named Kim Paris was assigned to cozy up to West Soon the gullible killer was in love once again with fateful consequences Traditionally true crime drama illuminates the sinister motivations in the human psyche Yet Cold Kill reveals something still more frightful unspeakable murders are committed not out of greed revenge or blind demented rage but out of a troubled young man s tragically misconceived code of honor and a desperate need to please and protect the woman of his dreams Jack Olsen s Cold Kill is a stunning testament to the profoundly discerning eye of a grand master of true crime To read Cold Kill is not to forgive David West It is however to undergo the uncanny experience of feeling oneself slowly but surely moving into the shoes of a pathological killer **Report**
