Cold Shoulder Road:

Cold Shoulder Road Joan Aiken,2015-12-01 Is Twite and her cousin Arun use their telepathic gifts to find Arun's missing mother in this gripping adventure set in an alternate British kingdom. When Is Twite and her cousin Arun return to Cold Shoulder Road in Folkestone after their astonishing adventures in the North, the town is deserted and Arun's mother is missing. Some say she took off with the sect Arun was raised in before he ran away. Known as the Silent Folk, members of the group are not allowed to talk and must communicate through sign language. But there are others who insist that Ruth Twite is a witch. To make matters worse, Is's sister Penny has also vanished along with the mute Handsel child. The only clue to all of their whereabouts is an elusive stranger called Admiral Fishskin. When Is and Arun finally track down the cult, Arun discovers that they have a new leader, evil charismatic Dominic de la Twite, who plays dangerous mind games and is able to block telepathic communication between Is and Arun. The cousins also find themselves up against a band of smugglers called the Merry Gentry that is using hidden tunnels beneath the city to search for buried treasure. With its sprawling cast of Dickensian characters and imaginative historical and social setting, this gripping adventure will delight existing fans of the Wolves Chronicles and new readers alike. Cold Shoulder Road is the 9th book in the award-winning Wolves Chronicles, but you may enjoy reading the series in any order. This ebook features an illustrated personal history of Joan Aiken, including rare images from the author's estate.

Cold Shoulder Road , Writing Under Control Judith Graham, Alison Kelly,2013-01-11

Now in its third edition and reflecting changes in the Primary National Strategy, this best-selling textbook introduces primary teachers to key issues in the teaching of writing. Strongly rooted in classroom practice, the book includes the history, theory, and practice of teaching writing, children writing in and out of school, EAL and gender issues, the development of writing across the years of the primary school, planning classroom routines and organising resources, balancing the composition and transcription elements in writing, monitoring and assessing writing, meeting individual needs, managing specific learning difficulties in writing such as dyslexia. With its companion Reading under Control, also in its third edition, this book provides undergraduate and postgraduate teachers with comprehensive guidance for the teaching of literacy.

Is and Cold Shoulder Road Joan Aiken,2005-01-01 Is short for Isabett Twite is the younger sister of Dido, every bit as spunky and compelling as her older sibling and with the same habit of attracting bizarre adventures. The two unputdownable novels in which she is the heroine, Is and Cold Shoulder Road are published here in a wonderfully satisfying double volume. Is is travelling north to find a lost cousin, discovers an underground kingdom where children work as slaves in horrifying conditions under the rule of the sinister Gold King. A year or two on with Simon Battersea now on the throne, her aunt Ruth Twite disappears from Cold Shoulder Road. Is needs all her courage and resourcefulness as she encounters the vicious gang of Merrie Gentry and other alarming forces that are at work across the country.
