Aubrey Beardsley,1967 **The Collected Drawings of Aubrey Beardsley** Aubrey Beardsley,Arthur Symons,1967 The  
Publishing History of Aubrey Beardsley's Compositions for Oscar Wilde's Salome Joan Navarre,1999 This study claims that  
scholars need to examine all twenty seven English illustrated editions of Wilde s and Beardsley s Salom to understand  
whether Beardsley s compositions do or do not illustrate Wilde s words For the last one hundred years scholars have  
addressed the aesthetic function of Beardsley s compositions whether or not Beardsley s compositions illustrate Wilde s  
words and each scholar sees something different Beardsley s compositions are irrelevant to Wilde s words Beardsley s  
compositions are relevant to Wilde s words Beardsley s compositions are both irrelevant and relevant What is at issue here is  
that this traditional dance of signification scholars interpretations of the aesthetic function of Beardsley s compositions relies  
upon an interpretive strategy that disavows the history of textual transmissions To put this another way what scholars see  
depends upon the particular English illustrated edition s they read Beardsley s compositions are physical objects conditioned  
by a physical setting i e the components of total book design Yet for many the visible appears invisible The motivation for this  
study arises from previously unexamined phenomena the genesis and textual transmission of Beardsley s compositions for  
Salom 1894 1994 As historical textual scholarship this study uses the methodologies central to descriptive bibliography the  
English illustrated editions of Wilde s and Beardsley s Salom are treated as socially constructed physical objects Binding  
format and paper are a few of the signifying systems described Specifically this investigation draws upon the model  
presented by Philip Gaskell in *A New Introduction to Bibliography* The necessary tasks include transcribing the title page  
analyzing the format examining the appearance of the binding detailing the kind of paper used and noting other information  
such as titles As the centenary of Wilde s and Beardsley s Salom commences this is the opportune time to trace the  
publishing history of Beardsley s compositions to update existing descriptive bibliographies and to turn to an empirical  
method for a socialized model of literary production **Salome** Rosina Neginsky,2014-10-16 Although the root of the  
Hebrew name Salome is peaceful the image spawned by the most famous woman to carry that name has been anything but  
peaceful She and her story have long been linked to the beheading of John the Baptist as described in the Gospels of  
Matthew and Mark since Salome was the supposed catalyst for the prophet s execution This history of the myth of Salome  
describes the process by which that myth was created the roles that art literature theology and music played in that creation  
and how Salome s image as evil varied from one period to another according to the prevailing cultural myths surrounding  
women After setting forth the Biblical and historical origins of the Salome story the book examines the major cultural literary  
and artistic works which developed and propagated it including those by Filippo Lippi Rogier van der Weyden Titian Moreau
