Dabney, 2005 From the Jazz Age through the McCarthy era Edmund Wilson 1895-1972 stood at the center of the American cultural scene In this biography Dabney shows why Wilson was and has remained a model for young writers and intellectuals as well as the favorite critic of the general reader *British Book News*, 1991 Coleridge's Later Poetry Morton D. Paley, 1996 The poems that Coleridge wrote after his golden period are seldom studied or anthologized Yet among the poems written after his most famous works are many of quality and interest addressing such universal themes as the nature of the self and the experience of unfulfilled love Paley examines the later verse in the context of Coleridge's oeuvre discusses what characterizes it and looks at why the poet felt he had to develop distinctively different modes of writing for these works *To William Wordsworth* is presented as a transitional poem exhibiting the vatic quality of earlier poems even while declaring that this quality must be abandoned Morton D. Paley then explores the poetry of the abyss which he terms *The Limbo Constellation* and this is followed by poems on the theme of the self and of love The last chapter examines the role of epitaphs in the later works culminating in a study of the epitaph that Coleridge wrote for himself *Crowded by Beauty* David Schneider, 2015-07-26 Philip Whalen was an American poet Zen Buddhist and key figure in the literary and artistic scene that unfolded in San Francisco in the 1950s and 60s When the Beat writers came West Whalen became a revered much loved member of the group Erudite shy and profoundly spiritual his presence not only moved his immediate circle of Beat cohorts but his powerful startling innovative work would come to impact American poetry to the present day Drawing on Whalen's journals and personal correspondence particularly with Ginsberg Kerouac Snyder Kyger Welch and McClure David Schneider shows how deeply bonded these intimates were supporting one another in their

art and their spiritual paths Schneider himself an ordained priest provides an insider's view of Whalen's struggles and breakthroughs in his thirty years as a Zen monk When Whalen died in 2002 as the retired Abbot of the Hartford Street Zen Center his own teacher referred to him as a patriarch of the Western lineage of Buddhism *Crowded by Beauty* chronicles the course of Whalen's life focusing on his unique eccentric humorous and literary religious practice **Modern Poetry in Translation**, 1996 *Saints Herald*, 1999 **Admissions from 1957 to 1972, with biographical notes suppl. to earlier volumes** John Venn, 1978 *Phylon*, 1960 Includes sections Books and race and Race in periodicals **Dictionary Catalog of the Harris Collection of American Poetry and Plays, Brown University Library, Providence, Rhode Island** Brown University.
