Collected Poems 1961 2000:

Collected Poems Richard E. Denner, 2002-02-01 Richard Denner is one of the most original people I know Copying furiously creating fearlessly he begs borrows they almost always vibrate as he does Denner is one of the edgiest people I've ever know and in his best poetry that comes through Mark Halperin Out there stuff it is you coming from that place in a low rider with tinted windows no mufflers on the dual pipes a hot chicano mama snuggled up against your pale Nordic shoulder John Bennett These poems are extraordinary fantastic freaky turnings not to be secured with ease the clarity developed by pursuit the dark and light of understanding of misunderstanding all are here the eloquence of it as it appears and disappears whatever it might be all of it is here Luis Garcia The muse is not necessarily embodied in a single person My first contact with this spirit of inspiration was Juanita Miller the daughter of the flamboyant 19th century California poet Joaquin Miller She lived in a vine covered castle among her father's monuments to Moses John Fremont and the Brownings nestled in the Oakland hills in what is now Joaquin Miller Park In our neighborhood she was unusual On a foggy Halloween night some friends and I spotted her in a white nightgown walking barefoot through the eucalyptus We were sure her house was haunted and dared not go to her doorstep to trick or treat She rode with my family to church on Sunday and on one occasion she signed a copy of a collection of her father's poems and presented it to my mother I revered this book I would open it and gently touch her signature It amazed me that we knew someone who was associated with the arts I offer this cluster of poems Many events have affected my view Many collaborations have enriched my life I am especially grateful to my family and the many friends of my life My poetry is my experience This is my secret autobiography

Asterisks David Wevill, 2007 Poems written with clarity and craftsmanship this collection contemplates what is real and observable versus what is not The verses are like asterisks that refer to somewhere else and they strike with meditative depth and spiritual strength Drawn from experiences in Burma England Spain and the United States these words depict moments in time and step back into silence

Green Marilyn Bowering, 2007 Echos of Federico Garcia Lorca Yiannis Ritsos and Rumi add exoticism to this poet's deceptively simple style Combining confession with analytical rigor most of these poems are variations on classic themes but they are driven by the particulars of politics love and family life As the poems progress repeated symbols such as cars coats cups rooms bees and roses begin to hint that the poet has a secret recipe for contentment home and hearth travel warm weather and a belief in human growth

Deaf to the City Marie-Claire Blais, 2007-06 This compelling story explores the motley crew of characters including mother turned stripper Gloria alcoholic Tim frequent jailbird Charlie and the suicidal wife of a rich doctor who call the rundown Hotel des Voyageurs home Mesmerizing in its passion and humility the narrative evokes the despair and innocence present in modern urban surroundings

The German Prisoner James Hanley, 2006 Brilliant in its stark depiction of trench warfare in World War I this lost classic was privately printed in a limited edition in 1930 British censors initially suppressed the short novel because of its tough antiwar views and sympathetic portrayals of German soldiers and even today's readers may be unprepared for its scenes of horrific battlefield carnage and men driven to madness by relentless psychological stress Providing a new view of an underappreciated Canadian author the book also stands as a fascinating addition to the comparatively small shelf of literature by writers who fought in the Great War
