The Cultural Front Michael Denning, 1998 As garment workers longshoremens autoworkers sharecroppers and clerks took to the streets striking and organizing unions in the midst of the Depression artists writers and filmmakers joined the insurgent social movement by creating a cultural front Disney cartoonists walked picket lines and Billie Holiday sang Strange Fruit at the left wing cabaret Caf Society Duke Ellington produced a radical musical Jump for Joy New York garment workers staged the legendary Broadway revue Pins and Needles and Orson Welles and his Mercury players took their labor operas and anti fascist Shakespeare to Hollywood and made Citizen Kane A major reassessment of US cultural history The Cultural Front is a vivid mural of this extraordinary upheaval which reshaped American culture in the twentieth century

ReelViews James Berardinelli, 2003 The popular film critic offers full length reviews of his choices for the best one thousand movies from the 1990s to today **Marc Blitzstein** Leonard Lehrman, 2005-09-30 Marc Blitzstein was one of the 20th century s most important American composers lyricists and critics often credited with having virtually invented opera in the American vernacular Called the father of American opera in the vernacular by luminaries Aaron Copland and Leonard Bernstein Blitzstein was a masterful pianist coach and accompanist though ironically he made more money on the lyrics to one song Mack the Knife than on everything else he ever did Blitzstein s brilliant career was cut short in 1964 when he died at the age of 58 This book catalogs Blitzstein s own writings and writings about him followed by detailed listings chronological alphabetical and genre analysis a comprehensive performance history and summaries of all known critiques of his 128 original musical works and 18 texts set to the music of others Shown in detail are the ways in which Blitzstein took music from his earlier works and developed it in later works a process that Lehrman utilized in completing with Bernstein s and the Estate s approval 20 Blitzstein works for performance including The Cradle Will Rock I ve Got the Tune No for an Answer Idiots First and Sacco and Vanzetti which Blitzstein believed would be his magnum opus The book provides a unique and full perspective on the works of one of America s greatest composers one who deserves to be better known Marc Blitzstein Howard Pollack, 2012-09-05 A composer and lyricist of enormous innovation and influence Marc Blitzstein remains one of the most versatile and fascinating figures in the history of American music his creative output running the gamut from films scores and Broadway operas to art songs and chamber pieces A prominent leftist and social maverick Blitzstein constantly pushed the boundaries of convention in mid century America in both his work and his life Award winning music historian Howard Pollack s new biography covers Blitzstein s life in full from his childhood in Philadelphia to his violent death in Martinique at age 58 The author describes how this student of contemporary luminaries Nadia Boulanger and Arnold Schoenberg became swept up in the stormy political atmosphere of the 1920s and 1930s and throughout his career walked the fine line between his formal training and his populist principles Indeed Blitzstein developed a unique sound that drew on everything contemporary from the high modernism of Stravinsky and Hindemith to jazz and Broadway show tunes Pollack

captures the astonishing breadth of Blitzstein's work from provocative operas like *The Cradle Will Rock* No for an Answer and *Regina* to the wartime *Airborne Symphony* composed during his years in service to lesser known ballets film scores and stage works A courageous artist Blitzstein translated Bertolt Brecht and Kurt Weill's *The Threepenny Opera* during the heyday of McCarthyism and the red scare and turned it into an off Broadway sensation its *Mack the Knife* becoming one of the era's biggest hits Beautifully written drawing on new interviews with friends and family of the composer and making extensive use of new archival and secondary sources Marc Blitzstein presents the most complete biography of this important American artist Mind ,1901 **The American Musical and the Formation of National Identity** Raymond
