Crafts Movement In Australia A History:

The Crafts Movement in Australia Grace Cochrane,1992-01 Handsomely illustrated reference book published with the assistance of the Australia Council which places the history of the crafts movement in Australia in the context of other social and cultural histories and documents the work of crafts practitioners of all kinds crafts organisations and design schools It describes crafts events and activities and the role of museums and galleries in promoting craft Includes endnotes a select bibliography and an index

Pioneers of Modernism Harriet Edquist,2008 Remediating a neglected part of architectural history this volume presents the work of four of Australia s most innovative arts and crafts architects Walter Butler Harold Desbrowe Annear Walter Liberty Vernon and Robin Dods The influence of the arts and crafts movement in Australia has long been lost between the far better known Gothic and classical revivals and the modernist movement and obscured by the chronological construction of federation architecture but this study along with the accompanying photographs and plans brings to life the simple lines of their design and illustrates why it is so deserving of further recognition
