## **Crazy For You Zebra Bouquet Romances:**

*Crazy for You* Maddie James, 2019-01-03 Tasha Smith enjoys her laid back life running her shop called Naturally where she sells organic fruits and vegetables even though lately she's been in a funk over a broken engagement or rather leaving her fiancé standing at the altar. It was the right thing to do but she'd handled it badly. Determined to shake her blues, she heads down to a resort in sunny Jamaica and along the way hooks up with a most unlikely companion, a workaholic stuffed shirt named Andrew. Andrew Jacob Powel III reluctantly heads to Jamaica after winning the trip for high salesperson of the month. He figures while there he'll hand out business cards and network but when he connects with Tasha, his professional poise begins a slow unraveling. Tasha is at turns enchanting and exasperating if not adorably determined to tease him out of his conservative shell and his suit. But what happens in Jamaica stays in Jamaica and even as a sultry passion takes them both by surprise, both Andrew and Tasha know they'll have to return to their very different lives even if their hearts tell them otherwise. Can they bury their differences long enough to make it work? [What Do I Read Next?](#), 2000 **Bowker's Guide to Characters in Fiction 2007**, 2008-02 **In The Body of the World** Eve Ensler, 2013-04-30 Playwright, author, and activist Eve Ensler has devoted her life to the female body: how to talk about it, how to protect and value it. Yet she spent much of her life disassociated from her own body, a disconnection brought on by her father's sexual abuse and her mother's remoteness. Because I did not, could not inhabit my body or the Earth, she writes, I could not feel or know their pain. But Ensler is shocked out of her distance. While working in the Congo, she is shattered to encounter the horrific rape and violence inflicted on the women there. Soon after, she is diagnosed with uterine cancer and through months of harrowing treatment, she is forced to become first and foremost a body: pricked, punctured, cut, scanned. It is then that all distance is erased. As she connects her own illness to the devastation of the Earth, her life force to the resilience of humanity, she is finally fully and gratefully joined to the body of the world. Unflinching, generous, and inspiring, Ensler calls on us all to embody our connection to and responsibility for the world.
