Creating Small Scale Social Programs Planning Implementation And Evaluation:

Creating Small Scale Social Programs Barbara Schram,1997-10-14 This book is geared towards designing programmes to meet specific social needs and organizing the relevant community and social service resources to implement them Structured around a single case study the book clearly illustrates how to effectively plan implement and evaluate a small scale social programme Each step in the planning process is introduced and described in a way that allows the reader to vicariously participate in the evolution of the programme Useful charts time lines and resource lists are included and can be easily referenced and utilized *Family Assessment* Adele Holman,1983-06 A practical guide for human service workers and students which describes and shows techniques for use in assessing families The author reviews a conceptual basis of family assessment in chapters that focus on the family as a system the family and its environment and the family life cycle She goes on to describe such methods of assessment as the ecomap the genogram family sculpture and the use of observation and checklists Throughout the guide case examples are used to illustrate concepts and show the techniques in use A special feature of particular value is the self teaching exercises designed to give the reader practice in applying these ideas and methods A concluding chapter relates family assessment to treatment or intervention

Measuring the Performance of Human Service Programs Lawrence L. Martin,Peter M. Kettner,2010 Government and nongovernmental human service organizations are under increasing pressure to demonstrate that their programs work As stakeholders demand more accountability human service organizations are increasingly utilizing performance accountability and performance measurement as a way of demonstrating the efficiency quality and effectiveness of their programs *Measuring the Performance of Human Service Programs* Second Edition examines the reasons why performance measurement has become the major method of performance accountability today In this second edition of their classic work Martin Kettner explain in detail how to develop and utilize output quality and outcome performance measures in human service programs Special attention is given to the four types of outcome performance measures numeric counts standardized measures level of functioning LOF scales and client satisfaction *Total Quality Management in Human Service Organizations* Lawrence L. Martin,1993-09-10 Now that business government and other fields are embracing Total Quality Management TQM as their management philosophy TQM may also hold the solution for problems that exist in human services organizations today After a brief history of TQM the author discusses the philosophy of management quality as an organizational goal the challenges of determining an organization s customers and collecting and using customer quality data He also describes how to achieve quality improvement through teamwork and shows how to use brainstorming cause and effect diagrams check sheets and pareto analysis Among the other topics examined are contractor involvement training top management personnel training middle managers and staff and selecting an implementation strategy All the examples used in this volume are drawn from the fields of public administration gerontology public health and management of nonprofit organizations Total Quality

Management in Human Service Organizations is a good backgrounder for human service administrators and organizations prior to undergoing a more detailed agency discussion of or training in TQM It is also of great value to students and faculty in social work administration programs who are interested in the basics of TQM

Practice of Case Management David P. Moxley,1989 The Practice of Case Management in the Human Services offers a succinct yet comprehensive guide to carrying out a case manager s responsibilities The author explores assessment of the service needs of the client facilitating the client s contact with the appropriate institutions and services monitoring the quality of services provided to the client and taking action when the client s needs are not met He also considers the therapeutic role required when needs are not met because the problems are indigenous to the client Providing an integrated look at practice technologies applicable to a variety of practice areas the volume is appropriate for both preservice and inservice education in the field of human servi

Proposal Writing Soraya M. Coley,Cynthia A. Scheinberg,2008 This book is written primarily for students or beginning to moderately experienced grantwriters working in nonprofit corporations school districts or city or county agencies and provides a step by step guide to writing a successful grant proposal The third edition has been retitled Proposal Writing The New Grantsmanship and Funding Strategies because the authors have broadened their scope while still maintaining the aspects that made the previous editions bestsellers A new organization provides greater coherence and logic in the presentation of the chapters Throughout the book readers are presented with agency organizational analyses using a conceptual framework that is tied to a theoretical perspective about the desired outcomes This framework provides the coherence for the book and assists individuals with the mechanics of writing and challenges them to understand why a particular strategy and with what desired and measurable outcome are they seeking The book also conveys the new grantsmanship which is essential for navigating the economic political and social dimesions of proposal and grant writing

Improving Organizational Performance Gary V. Sluyter,1998 A practical guide to recently developed management principles Improving Organizational Performance takes the reader beyond the basics of the TQM fad to the core concepts that undergird it The book provides a basic reference and field guide for mental health service organizations that are interested in learning about and applying sound management principles In addition to basic theory it presents procedures for putting quality practices in place using examples from the field to illuminate points and including a complete case study to help organizations learn the quality improvement team process Improving Organizational Performance is an effective tool for improving performance for managers in mental health human services and social services
