Creating The European Community

Stanley R. Sloan

Creating The European Community:

Creating the European Community Robert Case Mowat, 1973 *Creating European Citizens* Willem Maas, 2007-02-01 Exploring a key aspect of European integration this clear and thoughtful book considers the remarkable experiment with common rights and citizenship in the EU Governments around the world traditionally distinguish insiders citizens from outsiders foreigners Yet over the past half century an extensive set of supranational rights has been created in Europe that removes member governments authority to privilege their own citizens a hallmark of sovereignty The culmination of supranational rights European citizenship not only provides individuals with choices about where to live and work but also forces governments to respect those choices Explaining this innovation why states cede their sovereignty and eradicate or redefine the boundaries of the political community by including foreigners Willem Maas analyzes the development of European citizenship within the larger context of the evolution of rights Imagining more than simply a free trade market the goal of building a broader and deeper community among peoples with a destiny henceforward shared creating European citizens has informed European integration since its origins The author argues that its success or failure will not only determine the future of Europe but will also provide lessons for political integration elsewhere The European Community Johan Galtung, 2021-05-30 This book first published in 1973 analyses the European Community in a global perspective It asks and answers two main questions what does the European Community mean to the masses of the world and what does it mean to the world community in general Most critical studies of the EC were made from an internal point of view and this book is rare in having an external perspective The author discussed the EC with diverse audiences in 16 countries and his analyses are invaluable in putting the European project in an international context Informal Decision Making in the European Community under the Luxembourg Compromise Philip Bajon, 2025-10-16 This book analyses the informal decision making process in the EU against the background of a gradually emerging European legal order Based on extensive multi archival research in the UK France Germany the Benelux countries and in Community institutions the book explores the resistance against majority rule under the so called Luxembourg Compromise of 1966 a European soft law that allowed Member States to invoke vital national interests and to veto legislation This gentlemen s agreement was never sanctioned or codified However as a rule of the game it had a significant impact on the operations of the EU for several decades and became an integral part of the EU s consensus approach Its underlying rationale is still alive in the present day EU Presenting a deeply revisionist account of European law and politics the book demonstrates how the Luxembourg arrangement served as a compromise between the Treaty text and political reality as a counterweight to technocratic ideas and as a bridge between irreconcilable divides over European unification It includes case studies from 1965 2000 such as the Eurosclerosis of the 1970s British exceptionalism as an EU member the European revival of the mid 1980s and intergovernmentalism on the verge of negotiating the Maastricht Treaty Highly original in its interdisciplinary

comprehensive and archivally rooted method the book interrogates the most important and controversial debates about the past present and future of the European Union

European Community John Pinder,1991 NATO, the European Union, and the Atlantic Community Stanley R. Sloan,2005-07-28 Provides an interpretive history of the trans atlantic alliance and explores critical developments in US European relations The author considers the ongoing pattern of US unilateralism and its consequences as the trans atlantic and intra European debate over Iraq produced deep splits among the allies and eroded European trust in US leadership

The European Union John McCormick,Jonathan Olsen,2013-08-06 A thoroughly revised concise and comprehensive introduction to the structure institutions and policy development of the European Union

The European Community Émile Noël (OBE.),Commission of the European Communities,1979

The European Community and Human Rights Christiane Duparc,Commission of the European Communities,1993 Conclusion Towards the 21st century

Economic Citizenship in the European Union Paul Teague,2005-10-25 Paul Teague explores the macro economic productive and institutional pressures faced by Europe s social model and assesses a number of economic and political programmes aimed at resolving the crisis It also considers the role of the European Union building a social dimension to the European economy The findings suggest that the future of traditional institutions of Social Europe is under threat However they also stress that we are not on the threshold of the Americanisation of European life This study finds that the influential political forces that reject the dismantling of Europe s social model should not be preoccupied with defending inherited institutions Instead this book argues that they should encourage the construction of new forms of social solidarity compatible with the complexities of modern economic life

Small States in the European Union Diana Panke,2010 The most recent EU enlargements have considerably increased the number of small member states In the EU 27 19 countries have fewer votes in the Council of Ministers than the EU average These small states face a series of size related disadvantages in day to day EU negotiations Against this backdrop the book asks are some small states better at coping with structural disadvantages than others How active are small states in participating in day to day EU negotiations and why do some states use negotiation strategies more frequently than others Under which conditions are the different negotiation strategies effective and when can small states punch above their weight Based on more than 100 interviews with policy makers and an analysis of a unique database on the negotiation activities of EU member states this book explains how active participation is essential for the shaping success of small states and shows that small states are more influential with persuasion based rather than bargaining based strategies Two case studies on the pesticides and the spirit drinks regulations further reveal that persuasion strategies are especially effective if the arguments match the nature of the issue at stake and resonate well with prior beliefs of addressees No other study comprehensively analyzes small states in a comparative perspective examines their activity levels in EU negotiations and outlines which conditions are needed for the effectiveness of a broad range of strategies This is an indispensable resource for students and researchers interested in how and under which conditions small

states can influence policies in negotiations beyond the nation state Poland and Germany in the European Union Elżbieta Opiłowska, Monika Sus, 2021-03-19 This book explores the political and social dynamics of the bilateral relations between Germany and Poland at the national and subnational levels taking into account the supranational dynamics across such different policy areas as trade foreign and security policy energy fiscal issues health and social policy migration and local governance By studying the impact of the three explanatory categories the historical legacy interdependence and asymmetry on the bilateral relationship the book explores the patterns of cooperation and identifies the driving forces and hindering factors of the bilateral relationship Covering the Polish German relationship since 2004 it demonstrates in a systematic way that it does not qualify as embedded bilateralism The relationship remains historically burdened and asymmetric and thus it is not resilient to crises This book will be of key interest to scholars and students of European and EU Politics German politics East Central European Politics borderlands studies and more broadly for international relations history and sociology

Building European Union Trevor C. Salmon, William Nicoll, 1997 In Building European Union Trevor Salmon and William Nicoll draw upon twenty years experience one as an academic the other as a practitioner of European policy to bring together over 100 key documents on European integration in one volume each document or group of documents is preceded by commentary which locates the document in its historical context and explains its provenance purpose and impact upon the development of European Union

European Union Law Damian Chalmers, Gareth Davies, Giorgio Monti, 2010-06-24 This eagerly awaited new edition has been significantly revised after extensive user feedback to meet current teaching requirements The first major textbook to be published since the rejuvenation of the Lisbon Treaty it retains the best elements of the first edition the engaging easily understandable writing style extracts from a variety of sources showing the creation interpretation and application of the law and comprehensive coverage In addition it has separate chapters on EU law in national courts governance and external relations reflecting the new directions in which the field is moving The examination of the free movement of goods and competition law has been restructured Chapter introductions clearly set out what will be covered in each section allowing students to approach complex material with confidence and detailed further reading sections encourage further study Put simply it is required reading for all serious students of EU law

The EU as global actor and its influence on the global gender regime Stefanie Kessler, 2009-02-16 Research Paper postgraduate from the year 2008 in the subject Politics Topic European Union grade B 1 7 University of Auckland language English abstract In the last years the European Union EU transformed the European gender regime towards gender equality thoroughly This dissertation deals with the question of the EU s external influence on transforming societies Is the external influence coherent with internal claims Trade is the EU s most important external policy area The EU is an economic giant based on the largest single market in the world Thus the EU has power in and through trade The EU makes increasingly the adaptation of normative standards a condition to access its market Does the EU integrate also standards on gender equality And does the EU

transform gender regimes globally through trade What impacts does the EU have on gender regimes This dissertation examines gender impacts in the Sustainability Impact Assessments that show possible impacts of trade agreements between the EU and its partners The analysis shows that gender is secondary to economic growth and not directed towards gender equality As a consequence the EU does not use its power through trade and the coherence of internal and external efforts is questionable

Making History Sophie Meunier, Kathleen R. McNamara, 2007 The contributors to this volume all leading specialists in the field of EU studies examine the trajectory of the EU and draw on the theoretical tools of historical institutionalism to assess the central political challenges facing the EU

Research EU, 2008-06 Maastricht and Beyond Andrew Duff, John Pinder, Roy Pryce, 2002-09-11 Maastricht and Beyond is a critical assessment of the European Union brought into being by the Treaty of Maastricht A team of experts provide a clear and thorough appraisal of the main provisions of the Treaty including the three pillared structure of Economic and Monetary Union common foreign and security policy and home affairs and justice showing how these elements will change the function and eventually the character of the European Union The book draws conclusions from the Maastricht process for the next reform of the Union in 1996 and it examines the practicalities of achieving a fully fledged federal democracy making proposals for a constitutional settlement Maastricht and Beyond will appeal to both informed generalists and to students and scholars who want a fresh approach to the stale arguments over Maastricht who seek enlightenment over what the Treaty is for and who have the curiosity to look forward to 1996 and beyond

Annual Report ... on the European Community's Development Policy and the Implementation of External Assistance in ..., 2003

European Union--the Second Founding Ludger Kühnhardt, 2008 The author is presenting a broadly structured study about the first fifty years of European integration its geopolitical context and academic reflection His study is based on the two fold thesis that since a few years the European Union is going through a process of its Second Founding while simultaneously changing its rationale

Creating The European Community Introduction

In today's digital age, the availability of Creating The European Community books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Creating The European Community books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Creating The European Community books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Creating The European Community versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Creating The European Community books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Creating The European Community books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Creating The European Community books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Creating The European Community books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Creating The European Community books and manuals for download and embark on your journey of knowledge?

FAQs About Creating The European Community Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Creating The European Community is one of the best book in our library for free trial. We provide copy of Creating The European Community in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Creating The European Community. Where to download Creating The European Community online for free? Are you looking for Creating The European Community PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find

then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Creating The European Community. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Creating The European Community are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Creating The European Community. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Creating The European Community To get started finding Creating The European Community, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Creating The European Community So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Creating The European Community. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Creating The European Community, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Creating The European Community is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Creating The European Community is universally compatible with any devices to read.
