Creating Characters With Charles Dickens

Doris Alexander

Creating Characters With Charles Dickens:

Creating Characters with Charles Dickens Doris Alexander, 1991 In *Creating Characters with Charles Dickens* Doris Alexander provides substantial insight into the creative process as it unfolded in Dickens's work. She reveals how Dickens converted not only public figures but close friends and family to fictional use.

Creating Characters Writer's Digest Books, 2014-11-01 Create characters that leap off the page and into readers' hearts. Populating your fiction with authentic, vivid characters is a surefire way to captivate your readers from the first sentence to the last. Whether you're writing a series novel, short story, or flash fiction, *Creating Characters* is an invaluable guide to bringing your fictional cast to life. This book is a comprehensive reference to every stage of character development. You'll find timely advice and helpful instruction from best-selling authors like Nancy Kress, Elizabeth Sims, Orson Scott Card, Chuck Wendig, Hallie Ephron, Donald Maass, and James Scott Bell. They'll show you how to effectively introduce your characters, build a believable protagonist, develop strong anti-heroes and compelling villains, juggle multiple points of view without missing a beat, craft authentic dialogue that propels the story forward, motivate your characters with powerful objectives and a believable conflict, show dynamic character development over the course of a story. No matter what your genre, *Creating Characters* gives you the tools necessary to create realistic, fascinating characters that your readers will root for and remember long after they've finished the story.

Creating character Helena Ifill, 2018-02-28 This book explores the ways in which the two leading sensation authors of the 1860s, Mary Elizabeth Braddon and Wilkie Collins, engaged with nineteenth-century ideas about personality formation and the extent to which it can be influenced either by the subject or by others. Innovative readings of seven sensation novels explore how they employ and challenge Victorian theories of heredity, degeneration, inherent constitution, education, upbringing, and social circumstance. Far from presenting a reductive depiction of nature versus nurture, Braddon and Collins show the creation of character to be a complex interplay of internal and external factors. Drawing on material ranging from medical textbooks to sociological treatises to popular periodicals, *Creating character* shows how sensation authors situated themselves at the intersections of established and developing conservative and radical, learned and sensationalist thought about how identity could be made and modified.

Charles Dickens's Our Mutual Friend Sean Grass, 2017-05-15 Even within the context of Charles Dickens's history as a publishing innovator, *Our Mutual Friend* is notable for what it reveals about Dickens as an author and about Victorian publishing. Marking Dickens's return to the monthly number format after nearly a decade of writing fiction designed for weekly publication in *All the Year Round*, *Our Mutual Friend* emerged against the backdrop of his failing health, troubled relationship with Ellen Ternan, and declining reputation among contemporary critics. In his subtly argued publishing

history Sean Grass shows how these difficulties combined to make *Our Mutual Friend* an extraordinarily odd novel no less in its contents and unusually heavy revisions than in its marketing by Chapman and Hall its transformation from a serial into British and U S book editions its contemporary reception by readers and reviewers and its delightfully uneven reputation among critics in the 150 years since Dickens s death Enhanced by four appendices that offer contemporary accounts of the Staplehurst railway accident information on archival materials transcripts of all of the contemporary reviews and a select bibliography of editions Grass s book shows why this last of Dickens s finished novels continues to intrigue its readers and critics
