

The heavens declare the glory of God; the
skies proclaim the work of his hands. Day after
day they pour forth speech; night after night,
they reveal knowledge.

Basic Training for the Prophetic Ministry Kris Vallotton, 2007-07 BOOT CAMP FOR PROPHETS HAVE YOU BEEN CALLED BY GOD TO BE A PROPHET Learn how to develop your calling and increase the strength of your gifts from someone who has given hundreds of prophetic words worldwide You will be sure of your calling as you learn the difference between Prophets and Prophecy Foretelling and Forthtelling Word of Knowledge and Gift of Prophecy A True Prophet and A False Prophet Old Testament and New Testament Prophecy Author Kris Vallotton guides you through the rigors of basic training by revealing the core issues about prophecy and a revolu THE ONE AND THE ONLY... Jedidiah "Dee" Duaya, 2014-04-25 While in the world we have come to understand that there are many gods with many followers leading to many religions the truth of the matter is that not all the gods are all right and true at the same time One God has to be the right one making him the true one as well and all the rest of them have to be wrong and false gods at the same time The One and the Only book will help all of us reason in discovering who this right and true God is but most importantly this book will challenge those that claim to be acquainted with this right and true God not to keep him for themselves making him a private property and preventing the rest of the world from accessing this God by dictating who can come to him and who cannot but on the contrary they will be reminded of their responsibility to share him and to be the bridge of the people to this God without being an hindrance In The One and the Only we will have to come to the conclusion that nobody can privatize God or control him but all of us in each of our own ways can relate and personalize this God in our lives If there is One true God then He must be the one and the only God for everybody and He must be accessible for everyone who so want him in their world

The Power of Listening Lynne M. Baab, 2014-06-05 Listening skills and the perspective gained through careful listening are more important in congregations than ever Many factors make attentive listening a significant contributor to healthy congregations As we enter into a post Christendom culture the people coming into congregations as well as the people in the wider community are less likely to be operating from a shared set of assumptions With world wide migration reshaping our communities and congregations diverse perspectives coming from varied cultural backgrounds are also more common The breakdown of many support structures in society has created profound pastoral care needs making listening increasingly significant for both ministers and lay leaders Polarization over so many issues and the increasing emphasis on story telling in the journey of faith are two additional reasons why listening matters today Careful and loving listening nurtures care connection and depth which contribute to congregational life and health Listening to God is another aspect of listening which is gaining increased attention today Many congregational leaders have become weary of church as a business and are looking for authentic experiences of God s guidance Congregations are increasingly engaging in communal discernment Many listening skills used in human interactions are also building blocks for listening to God **The Heart of God** Riaan Engelbrecht, 2023-02-21 Why talk about the heart We read in Matthew 22 36 Teacher which is the great commandment in the

law 37 Jesus said to him You shall love the Lord your God with all your heart with all your soul and with all your mind 38 This is the first and great commandment It is that simple We must love God WITH ALL OUR HEART Not part of it Not proportionally In totality We must be consumed by a love for God for He is must be our first love Our heart must beat for God in the morning in the afternoon in the evening yes every second of the day Our hearts must yearn for God for God is glorious and wonderful God is jealous of our love He wants our heart He wants our affection attention and devotion There is nothing greater for your heart to beat for God and for God to live in our hearts through the indwelling presence of the Holy Spirit Only when our hearts yield to God can we seek a path of purity joy peace and love For God calls our hearts to beat in sync with His heart Do you know the heartbeat of God Do you know what His heart beats for For His heart speaks of love of beauty and majesty God calls for a pure heart a good heart and a heart that seeks the light of His splendour and glory
