Human Bandwidth Gunnar Nilsson,2002 *The Golden Thread of Oneness* Jon Robertson,1997 Dialogue and Humanism ,1992 **New Age** ,2000 **Forthcoming Books** Rose Army,1999-08 Survival Strategies for Nurses in Managed Care Toni G. Cesta,2002 This book helps nurse managers define their role in the managed care system learn strategies in financial management and focus on preventative care while working on re engineering patient care delivery systems utilization and outcomes management It addresses topics from defining managed care and explaining how a company works to addressing ethical and legal issues that arise in the managed care system *Begin a New Life* Harmon Hartzell Bro,1971 The thousands who consulted the psychic Edgar Cayce were often in desperate need of medical aid or vocational and marital guidance In addition to the detailed practical information which they were given by Cayce information of such accuracy as to make him the most famed clairvoyant in modern times they often received specific suggestions on how to

begin growing into a deep personal relationship with God and through Him find a new life Beginning with Edgar Cayce's challenge I don't do anything you can't do Dr Bro demonstrates how Cayce speaks to the needs of those who yearn for a new and more spiritually satisfying life Dr Bro has analyzed more than five hundred cases in which he personally heard Cayce counsel individuals from all walks of life From these he has determined four enlightening themes acting on chosen ideals: risking love in relationships, attaining personal growth, entering into meditation. These ideas were central to Cayce's own life as a man of prayer. Each theme is illustrated with quotes from Cayce's biblically oriented counseling. There is a full chapter devoted to an analysis of Cayce's religious faith as personal and practical mysticism. Dr Bro finds that Cayce's conception of God is radically secular: God as directly involved in meeting every true human need and yet a God who is transcendental and holy. The result is a devotional book not simply for those under stress but for any person who longs for what Cayce called the closer walk with Him. front and back flaps Unity, 1985 **The Rings of Empowerment** Carolyn Anderson, 1993

Co-Creating Oneness Sandra C. Brossman, 1999-09-01 As we enter the twenty-first century and a new millennium many of us are sensing a tidal wave of change moving through our lives that is paradoxically causing both great confusion and renewed inspiration. *Co-Creating Oneness: Choosing A Path To Inner Peace and Universal Harmony* uncovers the spiritual meaning underlying this phenomenon and delivers an urgent yet gentle message revealing the critical need for each of us to actively participate in the healing of our planet. This life-changing book offers a way in which we can all play our part beginning the healing of our own lives. Because Sandra Brossman has both pragmatic left-brain business experience as a business consultant and extraordinary right-brain experience as a spiritual healer, she is able to demystify spirituality by presenting it in an integrated, balanced way that is embraceable by the mainstream. The book is broken down into three parts: Part One, *Remembering Our Spiritual Truth*, reminds us of our amazing human potential and our inner power to create our own reality. We are guided to remember the truth of our inner spiritual connection as well as our indivisible spiritual connection with everyone and everything. Part Two, *Healing Our Past*, shares a personal healing process which removes the barriers that block our human potential. We are guided to heal our emotional issues through awareness and forgiveness and to release self-sabotaging behavior patterns, thus freeing ourselves to choose perceptions based on our spiritual truth. Part Three, *Integration*, demonstrates how we can access our inner wisdom to integrate spiritual truth into our physical world. We experience a vision process empowering us to manifest our ideal reality by consciously aligning our thoughts with the universal principle of unconditional love. Together we remember our magnificent potential to work in concert with the Universe to co-create an inner personal world of peace and an outer collective world of harmony.
