*Code Name: Fiancee* Susan Vaughan, 2010-08-01      K-1 Petition for Fiancée Brian D. Lerner, 2026-01-06

If you have a fiancé the last thing you want to do is be separated. However, if you do not do the fiancé petition correctly, that is exactly what will happen. It is not as easy as just showing your fiancé is a U.S. Citizen and you want to marry someone. Immigration basically thinks you are lying about the validity of the reason you want to get married and are only doing it to get into the U.S. and eventually get the Green Card. You must show the bona fides of the relationship and submit sufficient evidence to show why it would be a real marriage for love. It has everything necessary to give you the best chance possible to get an approval. Just input your own information and use the application as a guide. Thus, this book will allow you to see a guide of how it's done, prepared and submitted. The K-1 visa, also known as the fiancée visa, is a nonimmigrant visa that allows a foreign national to enter the United States to marry a U.S. citizen within 90 days. The K-1 fiancée visa petition is filed by the U.S. citizen on behalf of their foreign fiancé. The U.S. citizen must file the Petition for Alien Fiance Form I-129F with the United States Citizenship and Immigration Services (USCIS). This form requires information about the petitioner and the beneficiary, including their biographical details, relationship history, and intention to marry within 90 days of the beneficiary's arrival in the United States. After filing the petition, the USCIS will review and approve or deny the petition. If approved, the USCIS will forward the petition to the National Visa Center (NVC) for further processing. The NVC will send the approved petition to the U.S. embassy or consulate in the beneficiary's home country. The beneficiary must then apply for the K-1 visa and attend a visa interview at the embassy or consulate. The applicant must bring all necessary documents, including the approved petition, passport, police clearance certificate, and medical examination report. If the K-1 visa is approved, the beneficiary will receive the visa and can travel to the United States within six months. Once in the United States, the beneficiary must marry the U.S. citizen petitioner within 90 days of arrival. As an Immigration Lawyer, we are very aware of the red tape and the multiple items that could go wrong with any particular petition and/or application. Thus, this example should provide you a very clear path with which you can use to prepare your own Sibling Petition in order to proceed forward. The sample Sibling Petition will give lots of great information and a significant amount of information and data that will comply with the requirements. Note that it is not an automatic grant and it is not just filling out some forms. This is your burden to prove to the immigration officer and to convince that officer you should be reinstated even after falling out of status. Thus, if you cannot hire an immigration lawyer to prepare the necessary Sibling Petition, then this is the next best thing. Follow it carefully and closely, and you will have a real chance of realizing your dream to stay inside the United States and continue your education. Note that the adjudicating officer at USCIS is not your friend, or the Consulate Officer at the U.S. Consulate deciding whether you should get this particular visa or status. Thus, you need to completely and properly document and prepare your Sibling Petition. We certainly hope you find this petition useful and helpful and hope for the best immigration experience you can have. We do have

petitions on every subject area of immigration and you might look at those if needed as well If you do need to actually have a consultation you can call our U S Immigration Law office at 562 495 0554 for an initial free consultation to determine what must be done to help you and your family

Codename FLAME is the parallel to Dr Niklewicz s first riveting historical novel Last Train to Dachau That story was based on his mothers wartime experiences and the plight of the Miller family that lived and survived the terrible challenges and brutality that was forced upon them by the Nazis As was his first book Codename FLAME is an historical novel based on the true life struggles of courageous Poles in the time of war His father Stanislaw Niklewicz was such a person and his life is featured in this second book The contrast between the two stories is vast The Millers a family of five survived through patience and the strength of a family unit that did everything to stay together Stanislaw on the other hand was all alone as he ran away from his pending draft into the Hitler Youth at the age of 15 eventually becoming a Partisan fighter Follow the hardships that Stanislaw endured while being alone in the forests of Poland first as a teenage Boy Scout courier and then as a Partisan fighter The saga of Stanislaw Staszek is a portrait of a defiant boy turned into a man by the necessity and passion to live free or die fighting against the tyranny of the Germans His defiance and determination for freedom continued even after being captured behind enemy lines during a secret mission and his subsequent brutal imprisonment at the infamous Mathausen Concentration Camp As you read this book try to think of what it was like to be a boy soldier at 15 Then try to think of the courage and fortitude it took to survive through the torture of an extermination camp A camp that had no other purpose than to work you to death something you were equally determined to boldly defy
