**Coffee Break Devotionals (from 1 Kings to Song of Songs of the Old Testament)** G. Cundiff,2014-11-18 This book is part of Pastor Scott s Coffee Break Devotionals series This portion of our journey through the Bible begins with the accounts of the kings of Judah and Israel Some names are quite familiar to those who love the Bible There s Solomon and Jehoshaphat and Hezekiah Many of the kings are pitiful failures who find plenty of opposition from prophets like Elijah and Jeremiah and Isaiah With accounts of the Lord dealing with so much humanity we find ourselves in rich devotional material Then we move to the Wisdom Literature of the Bible We ll spend time with righteous Job and his friends as they deal with major issues related to his ordeal After that we find ourselves spending time in the Bible s hymnbook We ll conclude our time in this portion of the Bible with more music the opera that is Solomon s Song of Songs In the history and wisdom of the Scriptures we learn much about our own humanity Beyond that though we see God at work in this world and in people s lives I wrote these devotionals at a leisurely pace Every morning I would get a cup of coffee and settle down in my favorite chair to read and prayerfully seek out a devotional thought for the day These devotionals were written just one day at a time and I suggest that you read them as they were written in a comfortable place with a cup of coffee or tea if you prefer and one day at a time It s my experience that when I make room for the Lord in my life that he is faithful to fill that space with his presence

**Coffee Break Devotionals (from Isaiah to Malachi of the Old Testament)** G. R. Cundiff,2014-12-11 This book is part of Pastor Scott s Coffee Break Devotionals series Prior to writing these devotionals I had read through the Bible often switching translations several times I started writing devotionals for my own benefit forcing myself to slow down and think about what I was reading Using this approach when reading this specific portion of the Bible was I think the most beneficial to me I d read these books but I often was reading around five chapters a day I confess that after a while it all started sounding the same to me By slowing down and writing my own responses I saw these books in a whole new light For instance I found some of the most wonderful promises

to be found in all Scripture in these passages Also I realized just how connected the New Testament is to the prophets I m not just talking about the future telling but the practical this is how God wants us to live teachings as well Then I realized that there are many commonly used phrases that are first uttered by the prophets like a drop in the bucket or can a leopard change its spots or there s no rest for the wicked And Jesus liked Isaiah and quoted from that book several times for instance when he drove the money changers out of the Temple his comment that my house will be called a house of prayer for all peoples is a direct Isaiah quote I wrote these devotionals at a leisurely pace Every morning I would get a cup of coffee and settle down in my favorite chair to read and prayerfully seek out a devotional thought for the day These devotionals were written just one day at a time and I suggest that you read them as they were written in a comfortable place with a cup of coffee or tea if you prefer and one day at a time It s my experience that when I make room for the Lord in my life that he is faithful to fill that space with his presence *The Coffee Mom's Devotional* Celeste Palermo,2009-03-02 What do moms thirst for even more than coffee Moms want to know they matter that they make a difference They want to know they are not alone in their parenting experience and that their lives have purpose They want to see their children prosper They want a full cup Celeste Palermo gives moms more than a jolt of caffeine with these humorous yet poignant brief devotions easily read while on the run Moms juggling cups of coffee will relate to her coffee related stories and insights on such basic needs as affirmation purpose good health and eternal life Coffee Talk Common Grounds and A Perfect Cup sections provide quotes Scripture references and interviews with coffee drinking moms offering insight and inspiration Soul Sip Solutions offer questions to encourage reflection and response After reading The Coffee Mom s Devotional moms will be reminded that caffeine can never sustain us only Jesus can **COFFEE BREAK IN A 12-HOUR SHIFT** GLADYS. JUSINO,2025

**Habits of Devotion** James M. O'Toole,2018-07-05 For generations American Catholics lived out their faith through countless unremarkable routines Deep questions of theology usually meant little to them but parishioners clung to deeply ingrained habits of devotion both public and private Particular devotions changed over time waxing or waning in popularity but the habits endured going to mass on Sunday saying prayers privately and teaching their children to do the same filling their homes with crucifixes and other religious images participating in special services blending the church s calendar of feast and fast days with the secular cycles of work and citizenship negotiating their conformity or not to the church s demands regarding sexual behavior and even diet It was religious practice carried out in daily and weekly observance that embodied their faith more than any abstract set of dogmas from the Introduction In Habits of Devotion four senior scholars take the measure of the central religious practices and devotions that by the middle of the twentieth century defined the ordinary week to week religion of the majority of American Catholics Their essays investigate prayer devotion to Mary confession and the Eucharist as practiced by Catholics in the United States before and shortly after the Second Vatican Council *African American History Month Daily Devotions 2017* Marjorie L.
