Braithwaite,1917 Red, White, and Blues Virgil Suárez,Ryan G. Van Cleave,2004 Red White and Blues a new anthology offers a chorus of contemporary American poets on the idea of liberty democracy patriotism and the American Dream a twenty first century Song of Myself for the entire country The poems in Red White and Blues reflect our collective memory from icons of pop culture to national disasters and times of unrest Yet they are not simply reflections of the headline news or political diatribes of the day instead they provide road maps of American history road maps of where we ve been who we are and where we re going as a nation Poets as diverse as Martin Espada and Paisley Rekdal J P Dancing Bear and Vivian Shipley seek to answer questions that resonate within the heart of our national identity what does it mean to be an American What is the American Dream How does one define patriotism Regardless of ethnicity gender or class each poet s answer to such questions proves that our experiences unite us more than they divide us Red White and Blues is an ambitious collection of the finest contemporary poetry on the subject of America and the indefatigable spirit of its citizens Its poems don t pull punches nor do they celebrate without cause They show spirit and excitement outrage and joy solemnity and ambiguity all reflections of our wonderfully diverse nation Publisher s description **Written in Rain** M. L. Liebler,2000 Poetry M L Liebler s NEW SELECTED POEMS is American poetry s newest entry in the ongoing quest to commit America to the Word There is enough here to let us know where we are Liebler is a true historian of the era our own that he chronicles Liebler s stubbornness of intent and his tremendous on pointedness in relentless defense of the things of the heart make this a very welcome volume Richard Tillinghast Everywhere is Someplace Else Susan Bright,1998 This is the product of a publishing colony in which a group of eleven national writers created a book at a week long retreat held on the Texas Gulf Coast It is a gathering of poetry about issues justice environment spirit creativity and community Contributors include Susan Bright Bonnie Buhler Smith Valerie Bridgeman Davis Bradley Earle Hoge Frances Downing Hunter Margo LaGattuta Polly Opsahl Christine Valentine Reising Karen Chorkey Renaud Kalamu ya Salaam and Gail Teachworth Everywhere we go in the world we bring ourselves and our histories We are both exhilarated and cautioned by differences we see in climates customs ideologies and people and we build walls of protection to keep us safe in our hermetic hometowns Yet as writers and readers we can see beyond those walls Through the lenses of metaphor and image focus and association we can see the inner connections between people infrastructures of common experience that go beyond first appearances The world becomes smaller and less intimidating when we name our truths and discover that our neighbors share them Through collaboration we create new pathways of understanding Everywhere is Someplace Else is a powerful collection that examines Spirit Earth Justice The Other Community Work Creatures Time Death Love and Creativity through the eyes of eleven poets and storytellers who gathered to collaborate and create a stunning celebration of life and the creative process The book was assembled in a week of intensive collaboration which influenced everyone s vision In this process of creating we found that community sustains us Our best art comes from healing its pain Our readers are an extended community of people all over the world who work

every day to change ideas and institutions that are destroying the planet This anthology is the product of all we know about the soul of the writer how it grows from community and gives back to it how a circle of voices is often the truth of the poem how meaning is created because we need it *Anthology of Magazine Verse and Anthology of Poems from the Seventeen Previously Published Braithwaite Anthologies* ,1917
