Blood and Soap Linh Dinh, 2011-01-04

Blood and Soap is a breakthrough collection of modern day fables from a wildly inventive American writer whose fiction has been called terse and edgy Booklist and vividly imagined Kirkus Reviews Dinh s gift is for constructing in the manner of Italo Calvino simple narratives that quickly frame larger questions with a poet s timing the author builds his stories to the one or few climactic sentences that brand them with unforgettable meaning In one tale a Vietnamese boy s self guided haphazard study of English gives way to a meditation on the universality of language Everything seems chaotic at first but nothing is chaotic One can read anything ants crawling on the ground pimples on a face trees in a forest In another story a man opens a newspaper and sees the photograph of a man he may have murdered which he impulsively clips only to feel that in doing so he unwittingly has sealed his crime As soon as I finished I realized what I had done by cutting my father s likeness out of the newspaper I had removed him from the world The collection crescendoes in displays of raw creative power as in Eight Plots a rapid fire of three and four sentence summaries and the brilliant impressionistic Blood and Soap is an arresting collection from one of a small number of writers on the vanguard of American fiction
