Cold Fear Rick Mofina, 2001-07 [Cold Ice](#), [Burning Lines](#) Galina Sokoloava, Some rivalries are about winning Some are about pride And some hide something far more dangerous The captain has built his entire life on control On the ice he is feared disciplined and impossible to shake Teammates respect him Opponents avoid him And the world believes he is exactly what a leader should be strong silent unbreakable But control has a cost When a fearless young prodigy joins the team everything begins to change The rookie

skates with instinct instead of caution speaks truths no one else dares to say and looks at the captain in a way that feels far too close to understanding What begins as rivalry quickly turns into something far more complicated Forced to play on the same line the two men clash on and off the ice Every practice becomes a battle of pride Every game pushes them closer together The tension between them grows sharper harder to ignore until anger starts to feel dangerously similar to desire But hockey is a world built on pressure reputation and silence The captain carries a past that taught him never to trust promises The prodigy refuses to live behind fear or expectations When injuries public scrutiny and old ghosts threaten everything they've built both men must decide what matters more protecting their careers or admitting the truth they can no longer hide If you love emotional MM hockey romance filled with tension slow burn attraction and powerful character dynamics this story was written for you Inside this intense sports romance you'll find A powerful rivals to lovers dynamic A disciplined captain who never learned how to be vulnerable A fearless rising star who refuses to look away Forced proximity and locker room tension Emotional slow burn chemistry that builds with every game A love story shaped by pressure loyalty and difficult choices Cold Ice Burning Lines is not just a hockey romance It's a story about control slipping walls breaking and two men discovering that the strongest players aren't the ones who feel nothing they're the ones brave enough to feel everything Because sometimes the most dangerous line in hockey isn't drawn on the ice It's the one between rivalry and love
