AMERICAN TOURISM IN

France

Cold War Holidays

Richard K. Popp

Cold War Holidays:

Cold War Holidays Christopher Endy, 2005-12-15 Moving beyond traditional state centered conceptions of foreign relations Christopher Endy approaches the Cold War era relationship between France and the United States from the original perspective of tourism Focusing on American travel in France after World War II Cold War Holidays shows how both the U S and French governments actively cultivated and shaped leisure travel to advance their foreign policy agendas From the U S government s campaign to encourage American vacations in Western Europe as part of the Marshall Plan to Charles de Gaulle s aggressive promotion of American tourism to France in the 1960s Endy reveals how consumerism and globalization played a major role in transatlantic affairs Yet contrary to analyses of globalization that emphasize the decline of the nation state Endy argues that an era notable for the rise of informal transnational exchanges was also a time of entrenched national identity and persistent state power A lively array of voices informs Endy s analysis Parisian hoteliers and caf waiters American and French diplomats advertising and airline executives travel writers and tourists themselves The resulting portrait reveals tourism as a colorful and consequential illustration of the changing nature of international relations in an age of globalization

The Holiday Makers Richard K. Popp, 2012-05-16 Between the 1930s and 1960s the spread of new transportation networks and the democratization of paid vacations struck many observers as a sign that tourism was growing into a folkway of modern American life Easy mobility and free time lay at the heart of this idealized vision and vacations were seen as a ritualized expression of the movement and egalitarianism that characterized midcentury modernity The Holiday Makers tells the story of how advertisers sold tourist travel in popular magazines during this era transforming consumer culture in the process

America in the World Frank Costigliola, Michael J. Hogan, 2013-12-23 This volume includes historiographical surveys of American foreign relations since 1941 by some of the country s leading historians Some of the essays offer sweeping overviews of the major trends in the field of foreign international relations history Others survey the literature on US relations with particular regions of the world or on the foreign policies of presidential administrations The result is a comprehensive assessment of the historical literature on US foreign policy that highlights recent developments in the field

Negotiating Paradise Dennis Merrill, 2009-09-01 Accounts of U S empire building in Latin America typically portray politically and economically powerful North Americans descending on their southerly neighbors to engage in lopsided negotiations Dennis Merrill s comparative history of U S tourism in Latin America in the twentieth century demonstrates that empire is a more textured variable and interactive system of inequality and resistance than commonly assumed In his examination of interwar Mexico early Cold War Cuba and Puerto Rico during the Alliance for Progress Merrill demonstrates how tourists and the international travel industry facilitated the expansion of U S consumer and cultural power in Latin America He also shows the many ways in which local service workers labor unions business interests and host governments vied to manage the Yankee invasion While national leaders negotiated treaties and military

occupations visitors and hosts navigated interracial encounters in bars and brothels confronted clashing notions of gender and sexuality at beachside resorts and negotiated national identities Highlighting the everyday realities of U S empire in ways often overlooked Merrill s analysis provides historical context for understanding the contemporary debate over the costs and benefits of globalization

A History of Modern Tourism Eric Zuelow,2015-10-26 Tourism is one of the largest industries in the world yet leisure travel is more than just economically important It plays a vital role in defining who we are by helping to place us in space and time In so doing it has aesthetic medical political cultural and social implications However it hasn t always been so Tourism as we know it is a surprisingly modern thing both a product of modernity and a force helping to shape it A History of Modern Tourism is the first book to track the origins and evolution of this pursuit from earliest times to the present From a new understanding of aesthetics to scientific change from the invention of steam power to the creation of aircraft from an elite form of education to family car trips to see national shrines this book offers a sweeping and engaging overview of a fascinating story not yet widely known

A Taste for Provence Helen Lefkowitz Horowitz,2016-06-10 Provence today is a state of mind as much as a region of France promising clear skies and bright sun gentle breezes scented with lavender and wild herbs scenery alternately bold and intricate and delicious foods served alongside heady wines Yet in the mid twentieth century a travel guide called the region a mostly dry scrubby rocky arid land How then did Provence become a land of desire an alluring landscape for the American holiday In A Taste for Provence historian Helen Lefkowitz Horowitz digs into this question and spins a wonderfully appealing tale of how Provence became Provence The region had previously been regarded as a backwater and known only for its Roman ruins but in the postwar era authors chefs food writers visual artists purveyors of goods and travel magazines crafted a new alluring image for Provence Soon the travel industry learned that there were many ways to roam and some even involved sitting still The promise of longer stays where one cooked fresh food from storied outdoor markets became desirable as American travelers sought new tastes and unadulterated ingredients Even as she revels in its atmospheric cultural and culinary attractions Horowitz demystifies Provence and the perpetuation of its image today Guiding readers through books magazines and cookbooks she takes us on a tour of Provence pitched as a new Eden and she dives into the records of a wide range of visual media paintings photographs television and film demonstrating what fueled American enthusiasm for the region Beginning in the 1970s Provence for a summer a month or even just a week or two became a dream for many Americans Even today as a road well traveled Provence continues to enchant travelers armchair and actual alike

America's Public Holidays, 1865-1920 Ellen M. Litwicky,2000 Although many of the public holidays created between 1865 and 1920 seem to have devolved into little more than three day weekends Litwicky demonstrates that their celebrations still have the potential not only to convey American ideals but also to expose tensions in American society Jacket

Encyclopedia of American Holidays and National Days Len Travers,2006 Every holiday has a history and this set sets out to describe them all A chronologically organized

American Travel and Empire Susan P. Castillo,David Seed,2009 In this volume leading scholars examine the interfaces between narratives of travel and empire Including both writing about America by visitors and the travel writing of Americans abroad this collection explores the ways in which descriptions of the landscapes and peoples of colonized areas shaped our perceptions as well as other issues related to the American empire such as the transmission of images and metaphor between colony and metropolis the portrayal of cultures as primitive or wild the cultural and economic hegemony underlying American and European travel writing and the deployment of cultural encounters to reinforce sovereign cultural practices

America, History and Life ,2007 Article abstracts and citations of reviews and dissertations covering the United States and Canada

Cold War Holidays Introduction

In today's digital age, the availability of Cold War Holidays books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Cold War Holidays books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Cold War Holidays books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Cold War Holidays versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Cold War Holidays books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Cold War Holidays books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Cold War Holidays books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Cold War Holidays books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Cold War Holidays books and manuals for download and embark on your journey of knowledge?

FAQs About Cold War Holidays Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Cold War Holidays is one of the best book in our library for free trial. We provide copy of Cold War Holidays in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Cold War Holidays. Where to download Cold War Holidays online for free? Are you looking for Cold War Holidays PDF? This is definitely going to save you time and cash in something you should think about.
