

The Cold War

Cold War A History

Edward H. Judge, John W. Langdon

Cold War A History:

The Cold War Martin Walker, 1995-06-15 The Cold War was more of a global conflict than was either of this century's two major wars far more than a confrontation between states or even empires it was as Martin Walker puts it a total war between economic and social systems an industrial test to destruction

The Cold War Odd Arne Westad, 2017-09-05 The definitive history of the Cold War and its impact around the world We tend to think of the Cold War as a bounded conflict a clash of two superpowers the United States and the Soviet Union born out of the ashes of World War II and coming to a dramatic end with the collapse of the Soviet Union But in this major new work Bancroft Prize winning scholar Odd Arne Westad argues that the Cold War must be understood as a global ideological confrontation with early roots in the Industrial Revolution and ongoing repercussions around the world In The Cold War Westad offers a new perspective on a century when great power rivalry and ideological battle transformed every corner of our globe From Soweto to Hollywood Hanoi and Hamburg young men and women felt they were fighting for the future of the world The Cold War may have begun on the perimeters of Europe but it had its deepest reverberations in Asia Africa and the Middle East where nearly every community had to choose sides And these choices continue to define economies and regimes across the world Today many regions are plagued with environmental threats social divides and ethnic conflicts that stem from this era Its ideologies influence China Russia and the United States Iraq and Afghanistan have been destroyed by the faith in purely military solutions that emerged from the Cold War Stunning in its breadth and revelatory in its perspective this book expands our understanding of the Cold War both geographically and chronologically and offers an engaging new history of how today's world was created

The Cold War John Lewis Gaddis, 2006-12-26 Outstanding The most accessible distillation of that conflict yet written The Boston Globe Energetically written and lucid it makes an ideal introduction to the subject The New York Times The dean of Cold War historians The New York Times now presents the definitive account of the global confrontation that dominated the last half of the twentieth century Drawing on newly opened archives and the reminiscences of the major players John Lewis Gaddis explains not just what happened but why from the months in 1945 when the U S and the U S S R went from alliance to antagonism to the barely averted holocaust of the Cuban Missile Crisis to the maneuvers of Nixon and Mao Reagan and Gorbachev Brilliant accessible almost Shakespearean in its drama The Cold War stands as a triumphant summation of the era that more than any other shaped our own Gaddis is also the author of On Grand Strategy

The Cold War Jussi M. Hanhimäki, Odd Arne Westad, 2004 The Cold War contains a selection of official and unofficial documents which provide a truly multi faceted account of the entire Cold War era The final selection of documents illustrates the global impact of the Cold War to the present day and establishes links between the Cold War and the events of 11th September 2001

The Cold War Ralph B. Levering, 2015-12-14 Now available in a fully revised and updated third edition The Cold War A Post Cold War History offers an authoritative and accessible introduction to the history and enduring legacy of the Cold War

Thoroughly updated in light of new scholarship including revised sections on President Nixon's policies in Vietnam and President Reagan's approach to U.S. Soviet relations. Features six all-new counterparts sections that juxtapose important historical figures to illustrate the contrasting viewpoints that characterized the Cold War. Argues that the success of Western capitalism during the Cold War laid the groundwork for the economic globalization and political democratization that have defined the 21st century. Includes extended coverage of the Cuban Missile Crisis, the most dangerous confrontation of the nuclear age thus far.

The Cambridge History of the Cold War Melvyn P. Leffler, Odd Arne Westad, 2010-03-25 This volume examines the origins and early years of the Cold War in the first comprehensive historical reexamination of the period. A team of leading scholars shows how the conflict evolved from the geopolitical, ideological, economic, and sociopolitical environments of the two world wars and interwar period.

The Cold War David Painter, 2002-03-11 The Cold War dominated international relations for forty-five years. It shaped the foreign policies of the United States and the Soviet Union and deeply affected their societies, domestic situations, and their government institutions. Hardly any part of the world escaped its influence. David Painter provides a compact and analytical study that examines the origins, course, and end of the Cold War. His overview is global in perspective, with an emphasis on the Third World, as well as the contested regions of Asia and Central America, and a strong consideration of economic issues. He includes discussion of the global distribution of power, the arms race, the world economy, and the Cold War's impact on the world.

The Cold War Allan M. Winkler, 2003 Uses contemporary documents to explore the development of the Cold War struggle, the consequences in the 1950s and 1960s, and the lasting effects on American social and cultural patterns.

Cold War Hourly History, 2016-11-20 The Cold War between the United States and the Soviet Union lasted from the end of World War II until the end of the 1980s. Over the course of five decades, they never came to blows directly. Rather, these two world superpowers competed in other arenas that would touch almost every corner of the globe. Inside you will read about: What Was the Cold War? The Origins of the Cold War, World War II and the Beginning of the Cold War, The Cold War in the 1950s, The Cold War in the 1960s, The Cold War in the 1970s, The Cold War in the 1980s, and the End of the Cold War. Both interfered in the affairs of other countries to win allies for their opposing ideologies. In the process, governments were destabilized, ideas silenced, revolutions broke out, and culture was controlled. This overview of the Cold War provides the story of how these two countries came to oppose one another and the impact it had on them and others around the world.

The Cold War as History Louis J. Halle, 1967

The United States and the Origins of the Cold War, 1941-1947 John Lewis Gaddis, 2000 This book moves beyond the focus on economic considerations that was central to the work of New Left historians, examining the many other forces: domestic politics, bureaucratic inertia, quirks of personality, and perceptions of Soviet intentions that influenced key decision makers in Washington.

Cold war history, 1990

The Cold War through Documents Edward H. Judge, John W. Langdon, 2024-06-10 This text is a comprehensive

collection of more than 100 carefully edited documents speeches treaties statements and articles making the great events of the era come alive through the words and phrases of those who were actively involved Coverage traces the Cold War from its roots in East West tensions before and during World War II through its origins in the immediate postwar era up to and including the collapse of the Soviet Union during 1989 1991

Origins of the Cold War Melvyn P. Leffler, David S. Painter, 1994 The Cold War dominated the world political arena for forty five years Focusing on the international system and on events in all parts of the globe Melvyn P Leffler and David S Painter have brought together a truly international collection of articles that provide a fresh and comprehensive analysis of the origins of the Cold War Moving beyond earlier controversies this edited collection focuses on the interaction between geopolitics and threat perception technology and strategy ideology and social reconstruction national economic reform and patterns of international trade and decolonization and national liberation The editors also consider how and why the Cold War spread from Europe to Asia Africa the Middle East and Latin America and how groups classes and elites used the Cold War to further their own interests This second edition includes the newest research from the Communist side of the Cold War and the most recent debates on culture race and the role of intelligence analysis Also included is a completely new section dealing with the Cold War crises in Iran Turkey and Greece and a guide to further reading

The Oxford Handbook of the Cold War Richard H. Immerman, Petra Goedde, 2013-01-31 The Oxford Handbook of the Cold War offers a broad reassessment of the period war based on new conceptual frameworks developed in the field of international history Nearing the 25th anniversary of its end the cold war now emerges as a distinct period in twentieth century history yet one which should be evaluated within the broader context of global political economic social and cultural developments The editors have brought together leading scholars in cold war history to offer a new assessment of the state of the field and identify fundamental questions for future research The individual chapters in this volume evaluate both the extent and the limits of the cold war s reach in world history They call into question orthodox ways of ordering the chronology of the cold war and also present new insights into the global dimension of the conflict Even though each essay offers a unique perspective together they show the interconnectedness between cold war and national and transnational developments including long standing conflicts that preceded the cold war and persisted after its end or global transformations in areas such as human rights or economic and cultural globalization Because of its broad mandate the volume is structured not along conventional chronological lines but thematically offering essays on conceptual frameworks regional perspectives cold war instruments and cold war challenges The result is a rich and diverse accounting of the ways in which the cold war should be positioned within the broader context of world history

The Long Peace John Lewis Gaddis, 1987 In this fascinating new interpretation of Cold War history John Lewis Gaddis focuses on how the United States and the Soviet Union have managed to get through more than four decades of Cold War confrontation without going to war with one another Using recently declassified American and British documents Gaddis

argues that the postwar international system has contained previously unsuspected elements of stability This provocative reassessment of contemporary history particularly as it relates to the current status of Soviet American relations will certainly generate discussion controversy and important new perspectives on both past and present aspects of the age in which we live

Cold War Carole K. Fink, 2021-11-29 Now in its third edition *Cold War* provides an accessible and comprehensive account of the decades long conflict between two nuclear armed Superpowers during the twentieth century This book offers a broader timeline than any other Cold War text charting the lead up to the conflict from the Russian Revolution to World War II providing an authoritative narrative and analysis of the period between 1945 and 1991 and scrutinizing the 30 year aftermath including the prospect of a new Cold War In this new edition Carole K Fink provides new insights and perspectives on key events with an emphasis on people power and ideas The third edition covers developments in Africa Asia the Middle East and Latin America as well as in Europe It also includes Eleven new or revised maps that illustrate the global reach of the long conflict An extended chronology that includes recent international events A discussion of the post Cold War roles of the US Russia and China in world politics An updated bibliography reflecting new scholarship in Cold War and post Cold War history *Cold War* is the consummate book on this complex twentieth century rivalry and will be of interest to students of contemporary US and international history and history enthusiasts alike

A Hard and Bitter Peace Edward H. Judge, John W. Langdon, 2017-08-31 This comprehensive text provides a balanced survey of the Cold War in a genuinely global framework Presenting not only Soviet and Western perspectives but also the outlooks of peoples and leaders throughout Asia the Middle East Africa and Latin America Edward H Judge and John W Langdon offer in depth treatment of imperialism anti imperialism decolonization national liberation struggles and their Cold War connections The authors explore the background and context for all major developments during the era as well as capsule biographies and character analyses of key figures Tracing the Cold War from its roots in East West tensions before and during World War II through its origins in the immediate postwar era the book concludes with the Cold War s legacy which continues today Written in a clear and lively style this compelling text will bring the era to life for readers who didn t experience its dramas and crises directly

The Cold War: History in an Hour Rupert Colley, 2011-10-13 Love history Know your stuff with History in an Hour *The Routledge Handbook of the Cold War* Artemy M. Kalinovsky, Craig Daigle, 2014-06-05 This new Handbook offers a wide ranging overview of current scholarship on the Cold War with essays from many leading scholars The field of Cold War history has consistently been one of the most vibrant in the field of international studies Recent scholarship has added to our understanding of familiar Cold War events such as the Korean War the Cuban Missile Crisis and superpower d tente and shed new light on the importance of ideology race modernization and transnational movements The Routledge Handbook of the Cold War draws on the wealth of new Cold War scholarship bringing together essays on a diverse range of topics such as geopolitics military power and technology and strategy The chapters also address the importance of non state actors such as

scientists human rights activists and the Catholic Church and examine the importance of development foreign aid and overseas assistance The volume is organised into nine parts Part I The Early Cold War Part II Cracks in the Bloc Part III Decolonization Imperialism and its Consequences Part IV The Cold War in the Third World Part V The Era of Detente Part VI Human Rights and Non State Actors Part VII Nuclear Weapons Technology and Intelligence Part VIII Psychological Warfare Propaganda and Cold War Culture Part IX The End of the Cold War This new Handbook will be of great interest to all students of Cold War history international history foreign policy security studies and IR in general

Cold War A History Introduction

In the digital age, access to information has become easier than ever before. The ability to download Cold War A History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Cold War A History has opened up a world of possibilities. Downloading Cold War A History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Cold War A History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Cold War A History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Cold War A History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Cold War A History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable

antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Cold War A History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Cold War A History Books

1. Where can I buy Cold War A History books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
