Albanese,1991-09-24 Charts the multiple histories of American nature religion and explores the moral and spiritual responses the encounter with nature has provoked throughout American history Traces the connections between movements and individuals Includes figures from popular culture such as the Hutchinson Family Singers and Davy Crockett as well as Thomas Jefferson Ralph Waldo Emerson Henry David Thoreau and John Muir Phineas Parkhurst Quimby Phineas

Parkhurst Quimby, Ervin Seale, 1988 *A Republic of Mind and Spirit* Catherine L. Albanese, 2007-01-01 In the nineteenth and early twentieth centuries Mexicans and Americans joined together to transform the U S Mexico borderlands into a crossroads of modern economic development This book reveals the forgotten story of their ambitious dreams and their ultimate failure to control this fugitive terrain Focusing on a mining region that spilled across the Arizona Sonora border this book shows how entrepreneurs corporations and statesmen tried to domesticate nature and society within a transnational context Efforts to tame a wild frontier were stymied by labour struggles social conflict and revolution Fugitive Landscapes explores the making and unmaking of the U S Mexico border telling how ordinary people resisted the domination of empires nations and corporations to shape transnational history on their own terms By moving beyond traditional national narratives it offers new lessons for our own border crossing age **Rolling Away the Stone** Stephen Gottschalk, 2011-02-23 Gottschalk distinguishes himself by placing Christian Science in the larger context of American religion sheds new light on Eddy s life and work Publishers Weekly This richly detailed study highlights the last two decades of the life of Mary Baker Eddy a prominent religious thinker whose character and achievement are just beginning to be understood It is the first book length discussion of Eddy to make full use of the resources of the Mary Baker Eddy Collection in Boston Rolling Away the Stone focuses on her long reaching legacy as a Christian thinker specifically her challenge to the materialism that threatens religious belief and practice Gottschalk has provided readers with a masterful account of Christian Science in its heyday This book is a first rate read for students of American religion and provides a look into how one of the country s more complex religious figures dealt with materialism in the late nineteenth century America Religious Studies Review Gottschalk does a superb job of providing historical context for the chaotic events of Eddy s final decades Choice Gottschalk s account is well told and enriched by fresh material now available from the Mary Baker Eddy Library for the Betterment of Humanity Christian Science Monitor The book includes a great deal of fresh research and honest scholarship for the individual wanting to sink his or her teeth into a serious study of Eddy you have a lot to look forward to in reading this book The Christian Science Journal **Forthcoming Books** Rose Arny, 1998-04 *One Simple Idea* Mitch Horowitz, 2014-01-07 From the millions strong audiences of Oprah and The Secret to the mass media ministries of evangelical figures like Joel Osteen and T D Jakes to the motivational bestsellers and New Age seminars to the twelve step programs and support groups of the recovery movement and to the rise of positive psychology and stress reduction therapies this idea to think positively is metaphysics morphed into mass belief This is the biography of that belief No one has yet written a serious and broad ranging treatment and history of the positive thinking movement Until now For all its influence across popular culture religion politics and medicine this psycho spiritual movement remains a maligned and misunderstood force in modern life Its roots are unseen and its long range impact is unacknowledged It is often considered a cotton candy theology for New Agers and self help junkies In response One Simple Idea corrects several historical misconceptions about the positive thinking

movement and introduces us to a number of colorful and dramatic personalities including Napoleon Hill and Norman Vincent Peale whose books and influence have touched the lives of tens of millions across the world *Beyond Heaven and Earth* Steven H Propp,2003-11-17 Have you ever wondered what happens to us when we die What if you really HAD to know When tragedy strikes the family of young Jobran Winter he is forced to confront these questions directly Undertaking a feverish Quest he explores various branches of Christianity Judaism Islam Hinduism Buddhism Sikhism as well as the religions of China and Japan His search encompasses the New Age Reincarnation Spiritism and Psychical Research Attending channeling sessions and sances investigating haunted houses and Near Death Experiences he examines spiritual traditions ranging from Swedenborg to Scientology from Jodo Shinshu to the Jehovah s Witnesses Finally the Quest brings him into direct contact with Hospice work physical disability child abandonment abortion suicide euthanasia and even cold blooded murder Encounter the doctrines of Purgatory Predestination Universalism Annihilationism as you journey in a novel that will make you reexamine your ideas about religion skepticism love death and LIFE **Subject Guide to Books in Print** ,1993

Mary Baker Eddy Gill Gillian,1999-09-24 In 1866 a frail impoverished invalid middle aged widowed and divorced rose from her bed after a life threatening fall asked for her Bible and took the first steps toward the founding of the Christian Science Church Four decades later she was revered as their leader by thousands of churches in the U S and Europe had founded a national newspaper and had become probably the most powerful woman in America Who was this astonishing woman the mother of the Mother Church How did she prepare for her illustrious career during her years of obscurity and what was her inspiration for the healing practices and doctrine of Christian Science Gillian Gill a non Christian Science Scientist scholar who managed to win unparalleled access to the Church archives offers here an entirely new look at Mary Baker Eddy For the first time readers will see the extraordinary leadership skills exercised by Mrs Eddy despite the repressive forces facing women in her time For the first time we learn the full story of the bizarre attack on Mrs Eddy by Joseph Pulitzer and his New York World alleging that she was at least senile and possibly not even alive In this enthralling biography we rediscover Mary Baker Eddy as a radical Christian thinker pioneer in the recognition of mind body connections survivor of scandal and target of both admiration and scorn from such eminent contemporaries as Mark Twain Gillian Gill s sense of drama her critical acumen and her delicious wit bring to life a brilliant religious leader whose message has new meaning in our time **"With Bleeding Footsteps"** Robert David Thomas,1994 He helps us understand the patterns in her life and how it came to be that a fall on ice when she was forty five precipitated a life changing religious experience that ultimately led to the establishment of the Church of Christ Scientist **Brand New Me** Herman J. Aaftink,1995

Introduction to New and Alternative Religions in America: Metaphysical, New Age, and neopagan movements Eugene V. Gallagher,W. Michael Ashcraft,2006 Annotation Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as

weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more
