Three Plays for Puritans Bernard Shaw, 2017-12-22

Excerpt from *Three Plays for Puritans* Being the Third Volume of His Collected Plays This is all very well but the trumpet is an instrument that grows on one and sometimes my blasts have been so strident that even those who are most annoyed by them have mistaken the novelty of my shamelessness for novelty in my plays and opinions Take for instance the first play in this volume entitled *The Devil's Disciple* It does not contain a single even passably novel incident Every old patron of the Adelphi pit would were he not beglamored in a way presently to be explained recognize the reading of the will the oppressed orphan finding a protector the arrest the heroic sacrifice the court martial the scaffold the reprieve at the last moment as he recognizes beefsteak pudding on the bill of fare at his restaurant Yet when the play was produced in 1897 in New York by Mr Richard Mansfield with a success that proves either that the melo drama was built on very safe old lines or that the American public is composed exclusively of men of genius the critics though one said one thing and another another as to the play's merits yet all agreed that it was novel original as they put it to the verge of audacious eccentricity About the Publisher
