

## COLLECTED POEMS

This volume, brought out in the poet's fiftieth year, contains nearly all the verse he has published from 1929 up to the present. It is now possible to see how wide has been its range, how diverse its moods, and how resourceful is his poetic technique. Beneath each new venture in subject-matter and form, the reader can trace certain constant themes which, as Mr. Day Lewis says in his Preface, are the poet's 'one continuity, defining and preserving, through every change of language, every change of heart, what is essential to him.' These *Collected Poems* compose a most memorable *œuvre*, reflecting the stresses and hazards of the times through a highly personal sensibility, enriched by experience and strengthened by tradition.
