Crash Of Rhinos:

The Crash of Rhinos Ray Dearlove,2020-12-10 What will future generations think of us when they look back and rhinos are only in a picture book Dr Jane Goodall DBE The Crash of Rhinos is a play on words A crash is the collective noun for rhinos but it also describes the carnage wrought by poachers in Africa who have slaughtered more than 10 000 rhinos three a day in the past decade to feed the seemingly insatiable demand for rhino horn in some Asian countries The author spent his first forty years in South Africa and during this time developed a love of wildlife After emigrating to Australia Ray retained strong ties with African wildlife and conservation In 2014 a friend suggested that he investigate the feasibility of bringing rhinos to Australia to act as an insurance policy in the event of the possibility of the extinction of rhino species in the wild The Australian Rhino Project was born The Crash of Rhinos traces the origin of the Project to the present with the team still working to relocate rhinos to Australia It is an insightful frustrating humorous and humbling story that will make you laugh cry and tear your hair out in exasperation In Ray s own words There was extreme joy and there was acute heartache This fascinating story demonstrates what can be achieved by one person with the passion resilience and dogged persistence to meet challenges obstacles and the glacial pace of governments even in the face of a crisis The proceeds of this book will be directed to the South African all female anti poaching group The Black Mambas

A Crash of Rhinos Greg Danylyshyn,2016-01-05 Introduces in rhyming text the collective names used for various animal groups A Crash of Rhinos! Patricia Mullins,2010 A bother of blowflies a misery of mosquitoes a flamboyance of flamingoes in this imaginative colourful and energetic picture book Patricia Mullins illustrates a fascinating and funny array of animal collective nouns Ages 4 A Crash of Rhinos Paisley Rekdal,2000 In these quizzically probing and provocative poems atoms and torture tattoos and laundromats mug shots the theory of light and such personalities as Joe Louis and Bruce Lee join in shaping a simultaneously personal and historical narrative of love family and desire The tension between the public and the private saturates these poems with a breathless energy that carries the reader through Rekdal s self aware depiction of American culture and romance complete with Harlequin romance novels and an account of her parents courtship Though Rekdal delights in turning traditional images of love upside down what she finally offers is a grateful and graceful view of humanity which convinces us that as she says in Convocation Nothing is a single moment No private event lacks history
