Crawford,1897 *Hypnosis* Irving Kirsch,2017-07-05 Modern hypnosis can be traced back to the 18th century and during this period mesmerism as it was then known was a healing practice which spread throughout Europe and North America Since then hypnosis has been treated primarily as a psychological phenomenon and theories about hypnosis are grounded in mainstream psychology and its related disciplines Most recently it has been subject to extensive clinical trials to investigate its therapeutic effectiveness In their comprehensive introduction to this invaluable collection the editors trace the historical development of hypnosis providing an excellent review of the theories that have tried to explain how hypnosis works and reflecting on the cultural and scientific attitudes and practices that prevailed at various times They have selected the most important previously published papers that reveal how a scientific approach to understanding hypnosis as a psychological phenomenon has emerged over the last 70 years They have also included a selection of reports on clinical applications and on

legal and forensic issues As such this volume will prove an invaluable reference resource for researchers and students already in the field and new scholars interested in learning more about hypnosis *The Life of Isabel Crawford* Marilyn Färdig Whiteley,2015-06-16 This biography of Isabel Crawford is a lively account of a feisty and fascinating Baptist missionary Born in Canada in 1865 she had an independent spirit leading her to remarkable accomplishments in a life marked by obstacles Her conversion at age ten created a lifelong commitment to Christian service In her teens a near fatal illness left her deaf but nevertheless in 1893 she completed studies to become a missionary Rejected for overseas service she was assigned to a troubled Indian mission in Oklahoma She began her work there with great reluctance but developed a lifelong bond with her beloved Kiowa converts Her success as a woman missionary created friction with the American Baptist Home Mission Society and she left the mission in 1906 Remaining committed to the Women s Home Mission Society Crawford became a sought after inspirational speaker for them and later served again as missionary this time in western New York She retired in 1930 and moved back to Canada in 1942 Crawford is buried as she had arranged at her Saddle Mountain Oklahoma mission The biography is enriched by extensive use of Crawford s witty and perceptive descriptions of the extraordinary challenges and variety of experiences that marked her life *Captain Jack Crawford* Darlis A.
