Crazy Bosses Spotting Them Serving Them Surviving Them:

Crazy Bosses Stanley Bing,1993 Drawing on hundreds of no holds barred interviews the renowned Executive Summary columnist for Esquire dissects the mentality of the workplace and comes up with solid strategies for those who work under the constant battle siege of the difficult boss [Crazy Bosses](#) Stanley Bing,2007 [Breaking the Silence](#) Joseph Blase,Jo Blase,2003 Recognize destructive behavior and cultivate constructive support The detrimental effect of abusive principal behavior not only deteriorates teacher morale and performance but also erodes school effectiveness student learning and quality of life for everyone involved Unfortunately this type of mistreatment with its devastating implications has largely been ignored and treated as a taboo subject In this groundbreaking book Blase and Blase begin the critical dialogue about abuse by exposing the various manifestations of mistreatment and offering practical solutions for its prevention and correction The invaluable information presented is based on findings from the first of its kind study conducted by the authors in which they interviewed elementary middle junior high and high school teachers from rural suburban and urban areas across the United States and Canada The text masterfully provides the tools necessary to identify destructive behavior and raises awareness of this common phenomenon in order to break the cycle of abuse It is the crucial first step toward preventing further mistreatment and fostering teacher development student achievement and school improvement Key features include Real life examples and testimonials Specific forms and indicators of mistreatment categorized into three levels Detailed description of the effects on schools and teachers professionally and personally Solutions for overcoming this problem including six survival skills Bullyproofing Bullybusting and other individual organizational and legal resolutions [Taming the Abrasive Manager](#) Laura Crawshaw,2021-05-13 Taming the Abrasive Manager is an ideal resource for managers human resource professionals coaches and anyone who works for or with an abrasive boss Executive coach Dr Laura Crawshaw known as the Boss Whisperer for her work in this field shares her discoveries on how to tame the deep fears that drive abrasive managers to attack their coworkers In her straight shooting style Crawshaw offers invaluable insights gained from her encounters with abrasive bosses in corporate jungles who aggressively defend against threats to their dominance in the high risk business of survival These insights combined with lessons learned from employees and organizations who have successfully reined in their unmanageable bosses provide realistic solutions that will improve the workplace for everyone [When Leadership Goes Wrong Destructive Leadership, Mistakes, and Ethical Failures](#) Birgit Schyns,Tiffany Hansbrough,2010-07-08 The book explores the darker side of leadership broadening the scope of leadership studies by acknowledging that leaders can cause harm It includes contributions from scholars on topics like narcissistic and destructive leadership ethical leadership and leader errors enhancing practical implications of leadership research **Workplace Bullying** Noreen Tehrani,2013-03-01 Is bullying really that bad Why do some people just watch it happening How do you know if it is bullying or strong management What kind of leaders are able to create positive working environments The effects of bullying on organisations

and individuals can be devastating and can adversely affect both the workers themselves and the productivity of the organisation that they work for This book explores the impact of bullying from the perspective of both the employee and the organisation in which they work In addition to describing the negative outcome of bullying Workplace Bullying also looks at ways to promote resilience and the opportunity for growth and learning to take place Divided into four sections this book covers the impact and symptoms of workplace bullying individual interventions organisational interventions underlying causes and future considerations Workplace Bullying is essential reading for anyone with responsibility to help and support workers involved in bullying as a victim supporter or investigator It offers organisations a chance to create an environment that will not only build a more resilient workforce providing appropriate and effective interventions but also provides solutions that will lead to the possibility of individual and organisational growth and development

Relationship Based Leadership Chad Richardson, Kathleen Earle, 2006 Relationship Based Leadership written primarily for child care leaders emphasizes cooperation rather than control motivation from within rather than from without and accountability to a team more than to a boss This work carefully explains the basic changes needed to bring about a more collaborative environment

Risky Business Cary L. Cooper, 2016-04-15 What are the financial and psychological costs of risky behavior in business to the individuals concerned and their organizations Risky Business provides a perspective on addictive behaviors such as gambling drug taking and even addiction to work criminal behaviors such as theft and corruption and behaviors such as aggression and violence The authors then look at their implications to employee and organizational health within the context of the workplace environment an environment that is often synonymous with psychological demands stress long hours overwork and shortages of staff or other essential resources An essential guide for occupational psychologists human resource specialists risk managers and for researchers in this field

Business Today, 1994-04-22 The Complete Idiot's Guide to Motivating People Michael Ramundo, Susan Shelly, 2000 This Idiot's Guide shows how to pump up trainers managers and leaders of all kinds to inspire the people who work for them
