Crazy Mary Spires:

Crazy Mary John Benton,1977-01-01 **The Collected Letters of C.S. Lewis, Volume 1** C. S. Lewis,2009-07-07 The life and mind of C S Lewis have fascinated those who have read his works This collection of his personal letters reveals a unique intellectual journey The first of a three volume collection this volume contains letters from Lewis s boyhood his army days in World War I and his early academic life at Oxford Here we encounter the creative imaginative seeds that gave birth to some of his most famous works At age sixteen Lewis begins writing to Arthur Greeves a boy his age in Belfast who later becomes one of his most treasured friends Their correspondence would continue over the next fifty years In his letters to Arthur Lewis admits that he has abandoned the Christian faith I believe in no religion he says There is absolutely no proof for any of them Shortly after arriving at Oxford Lewis is called away to war Quickly wounded he returns to Oxford writing home to describe his thoughts and feelings about the horrors of war as well as the early joys of publication and academic success In 1929 Lewis writes to Arthur of a friend ship that was to greatly influence his life and writing I was up till 2 30 on Monday talking to the Anglo Saxon professor Tolkien who came back with me to College and sat discoursing of the gods and giants Asgard for three hours Gradually as Lewis spends time with Tolkien and other friends he admits in his letters to a change of view on religion In 1930 he writes Whereas once I would have said Shall I adopt Christianity I now wait to see whether it will adopt me The Collected Letters of C S Lewis Volume I offers an inside perspective to Lewis s thinking during his formative years Walter Hooper s insightful notes and biographical appendix of all the correspondents make this an irreplaceable reference for those curious about the life and work of one of the most creative minds of the modern era *Country Life Illustrated* ,1901 [The Raceless Antiracist](#) Sheena Michele Mason,2024-10-17 Many scholars and activists argue that the practice of racialization and the belief in race are necessary because even if race is not real racism is While such an approach might help lessen some effects of racism it inevitably strengthens the very foundation of racism As Sheena Michele Mason argues in *The Raceless Antiracist* fighting racism by ignoring or upholding the idea of race and the practice of racialization is like trying to stop a flood by dousing it with water To end racism particularly antiblack racism we must question acknowledge and translate race as an integral part of racism itself In presenting her case for charting a future without racism Mason weaves insights from philosophy sociology statistics biology history and literary studies She presents a map which she refers to as the togetherness wayfinder for how to discuss teach identify and stop the causes and effects of racism without hardening any of its components With this guide we can end the idea of race and the practice of racialization and start to navigate more effectively toward a post racist world **Against the War** Roland Menge,2012-10-15 **AGAINST THE WAR** is a historical novel examining the response of the Vietnam War generation to the Vietnam War and the effect of the war on American society The novel follows the intertwined lives of four friends rowing team mates who graduate from college in 1967 at the height of the war Two of the four friends become involved in the war one as a combat pilot and one as a medic

The other two of the four friends in seeking to avoid the war become involved in the counter culture that arises from the anti war movement The novel also follows the lives of the four women who become the eventual companions of the four men
