illustrate that inner peace and contentment are within everyone's grasp **The power of the words... that free me!**
Jacques Martel, 2017-10-24T13:00:00-04:00 It is said that words are the mirror of the heart and that they also reflect my thoughts. If I want my language to be filled with Freedom, Wisdom, and Love, there are certain words or at least a certain form of language that I must use. Jacques Martel has acquired a great expertise in this area through his many communications with the public since 1998, as much in Quebec as in Europe. In this book, which he intends as a practical tool, he shares with us several keys to help us make the messages we want to transmit more easily understood by others at the level of the heart. He gives me the knowledge of certain words related to spiritual principles which I can integrate into my ordinary language with my family, my friends, my work relationships, and when I address myself to a public. The result is a more effective and a truer communication.

Create for the Creator Dean Severns, 2014-12-24 Create for the Creator by Dean Allen Severns is a call to action to all Christians which shares a step by step guide to creating abundance as ordained by God. The author explains that it is the reader's God-given right to seek abundance in all areas of life, from the spiritual and professional to health and relationships. The law of attraction is an erroneous idea that stems from the true law, God's law of creating. The law of attraction is actually a myth that fails for most people, while in contrast, the law of creating offers surefire tools needed to experience God's plan for the reader's ultimate life of abundance. Describing the inspiration for his book, Severns delves into his personal journey of what worked as well as what did not. The science versus religion debate and the true law of abundance is explored. And in addition to a no-fail action plan for creating habits of true abundance, Severns also offers up ideas for creating a better church program and a movement toward that end. According to Create for the Creator, by acting on the laws of creating a balanced life of design will occur.
