A Place Of Safety:

A Place of Safety Caroline Graham,2010-04-01 Charlie Leathers was not the most popular man in the charming English village of Ferne Basset but few people seemed to hate him enough to murder him Still that was his fate one night and it brings Inspector Barnaby to the scene to investigate What Barnaby doesn't know is that before his death Charlie witnessed what might have been the suicide or murder of a young woman whose troubles with the law have landed her in the home of a local retired minister and his none too pleased wife Now a man is dead a girl is missing and a town is in chaos as long kept secrets begin to unravel with deadly repercussions
