

A PIMA PAST

Anna Moore Shaw

A Pima Past

J Dewey

A Pima Past:

A Pima Past Anna Moore Shaw, 2016-12-15 In simple unaffected prose Mrs Shaw constructs a moving saga of Native Americans caught between their tribal past and a Europeanized present Some of the most interesting passages deal with the wrenching realities of Indian life on the reservation in the years around the turn of the century when the Indian male as a warrior found himself bereft of his very reason for being and forced to endeavor to become a farmer *Journal of Arizona History* A most interesting book Shaw s account of how the Pima Indians lived their family structure how they reared their children courtship and marriage how they treated their elders their religious practices before the coming of a Christian missionary in 1870 and their accommodation with death are related in language that can be easily understood by the layman and yet provide information which can be used by the sociologist and anthropologist *Journal of the West* The current trend in books written by American Indians is to idealize the Indian past while condemning white culture This volume is a notable exception because its author is old enough to remember the past and because she has been successful in adapting those elements of white culture which she found useful without sacrificing this essential heritage The style is simple and straightforward that of a good storyteller which reaches all adult levels Choice Simple and charming reminiscences of the old Pima ways at the turn of the century when they still prevailed and of the changes which recent decades have brought about in the lives of the desert people *Books of the Southwest* Throughout Shaw s account a special kind of humor sensitivity and pride is revealed when discussing her peoples and her own personal experiences *The Masterkey* *A Pima Past* Anna Moore Shaw, 1987 **A Pima Past** Anna Moore Shaw, 1987 **Pima Indian Legends** Anna Moore Shaw, 2016-12-15 Coyote Eagle man quail bear and other charaters relate their adventures in two dozen delightful tales Anna Shaw heard her father tell when she was young The author a Pima herself unfolds twenty four charming Indian tales as passed down from generation to generation Simple and beautiful in design and content A delight for all ages *My Heart Is Bound Up with Them* David Martínez, 2023-02-21 Centering historically neglected Indigenous voices as its primary source material author David Mart nez shows how Carlos Montezuma s correspondence and interactions with his family and their community influenced his advocacy and how his important work in Arizona specifically motivated his work on a national level *Skirting Traditions: Arizona Women Writers and Journalists 1912-2012* Brenda Kimsey Warneka, Carol Hughes, Lois McFarland, June P. Payne, Sheila Roe, Pam Knight Stevenson, 2016-04-29 Women who skirt traditions whether on the frontier of a young state or in a male dominated profession have relied on resilience creativity and grit to survive and to flourish These short biographies of twenty eight female writers and journalists from Arizona span the one hundred years since Arizona became the forty eighth state in the Union They capture the emotions the monumental and often overlooked events and the pioneering spirit of women whose lives are now part of Arizona history The remarkable women profiled in this anthology made the trek to Arizona from the big cities of Chicago Los Angeles and Washington D C from the green hills of Wisconsin and from backwater

towns in Oklahoma and Pennsylvania by covered wagon automobile and later airplane They came with their parents or their husbands or as single women with and without children They came seeking health in the sun blessed dryness of the desert a job a better lifestyle What these women had in common was their love of writing and journalism and their ability to use the written word to earn a living to argue a cause and to promote the virtues beauty history and people of the Southwest The narratives in *Skirting Traditions* move forward from the beginning of statehood to the modern day describing daring feats patriotic actions and amazing accomplishments They are women you won't soon forget

From Huhugam to Hohokam J. Brett Hill, 2018-12-19 In *From Huhugam to Hohokam Heritage and Archaeology in the American Southwest* J Brett Hill examines the history of Oodham heritage as it was recorded at the beginning of European conquest A parallel history of scientific exploration is then traced forward to produce intricate models of the coming and going of ancient peoples Throughout this history Native accounts were routinely dismissed as an inferior kind of knowledge More recently though a revolutionary change has taken hold in archaeology as Native insights and premises are integrated into scientific thought Integration was once suspected of undermining basic principles of knowledge but J Brett Hill contends that it provides a deeper and more accurate sense of the connection between living and ancient people Hill combines three decades of experience in archaeology with a liberal arts perspective to produce something for readers at all levels in the fields of anthropology Native American studies history museum studies and other heritage disciplines

[A Pima Remembers](#) George Webb, 2016-05-26 A flavorsome re-creation of things past in the life of a generous friendly people New York Times Book Review George Webb's gentle recollections of his childhood and Pima Indian lifeways will doubtless endure forever This deeply moving autobiography is the perfect introduction for younger Pimas to their culture and history Arizona Highways

[American Indians and the Urban Experience](#) Susan Lobo, Kurt Peters, 2001 Modern American Indian life is urban rural and everything in between Lobo and Peters have compiled an unprecedented collection of innovative scholarship stunning art poetry and prose that documents American Indian experiences of urban life A pervasive rural urban dichotomy still shapes the popular and scholarly perceptions of Native Americans but this is a false expression of a complex and constantly changing reality When viewed from the Native perspectives our concepts of urbanity and approaches to American Indian studies are necessarily transformed Courses in Native American studies ethnic studies anthropology and urban studies must be in step with contemporary Indian realities and *American Indians and the Urban Experience* will be an absolutely essential text for instructors This powerful combination of path-breaking scholarship and visual and literary arts from poetry and photography to rap and graffiti will be enjoyed by students scholars and a general audience A Choice Outstanding Academic Book

Embracing the Song of Expression: An Emotional Symphony within **A Pima Past**

In a world used by monitors and the ceaseless chatter of quick transmission, the melodic beauty and mental symphony created by the written term usually fade into the background, eclipsed by the constant noise and interruptions that permeate our lives. But, nestled within the pages of **A Pima Past** a stunning literary value brimming with fresh emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, that charming masterpiece conducts visitors on an emotional journey, skillfully unraveling the hidden melodies and profound impact resonating within each cautiously crafted phrase. Within the depths of the emotional examination, we shall explore the book's main harmonies, analyze their enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.
