**Pioneers in Paradise** Sophie Britten,2022-02-10 This book tells the hundred year history of Three Rivers California from the 1850s to the 1950s Three Rivers has always been a special place one of rolling wooded hills nestled close to the High Sierra mountains Those mountains feed the rivers that give the place its name It was an ideal place for the pioneers of this story to settle The book is divided into two basic parts The first tells the story of events and places what life was like for those hardy souls who homesteaded in these hills The second part relates stories and histories about individual people and their families when they came to Three Rivers when they arrived and how their lives and the lives of their families were impacted by living here Did they thrive Did they go elsewhere to search for their dream The author has endeavored to answer these questions Book Review I am a local history buff and long time member of the Tulare County Historical Society When publications appear that pique my interest in Tulare County History I usually acquire them The author and her family are well known and highly respected in the Three Rivers area Ms Britten s contribution to the area s history by recording the background and lives of its pioneers is well done Evan Long **From Pioneers to Paradise** Pat Molter Emerson,2012
