**Milton's Places of Hope** Mary C. Fenton, 2017-03-02 In early modern culture and in Milton's poetry and prose this book argues the concept of hope is intrinsically connected with place and land Mary Fenton analyzes how Milton sees hope as bound both to the spiritual and the material the internal self and the external world Hope as Fenton demonstrates comes from commitment to literal places such as the land ideological places such as the nation and sacred interior places such as the human soul Drawing on an array of materials from the seventeenth century including emblems legal treatises political pamphlets and prayer manuals Fenton sheds light on Milton's ideas about personal and national identity and where people should place their sense of power and responsibility Milton's politics and where he thought the English nation was and where it should be heading and finally Milton's theology and how individuals relate to God **A FUTURE AND A HOPE The**

REASON FOR HOPE Patrick J Vaughan,2014-12-03 I was stirred to write this because I believe in my heart that there are many who are losing hope With all the uncertainties and calamities going on in the world and our own personal lives I can understand this to some reason But the main reason people are losing hope is that we are focused on the wrong things We are looking at the wrong direction listening to the wrong people and getting all the wrong answers and promises from those who lie and deceive Below is the first few paragraphs to my book which will give more insight Hope deferred makes the heart sick Proverbs 13 12 I have this word Hope burning in my spirit in this season I believe that there are many out there although they may appear all right on the surface are disappointed in their dreams are fearful and worried do not see a future and are very troubled in both heart and mind The lack of hope or seemingly not having hope at all is very disturbing and will bring you to great depression which will kill any ambition I am here to say and to tell you and assure you that all is not lost I want to assure you that hope is real and we all have a reason for hope no matter how dark your circumstances are and no matter how bleak your future appears Our verse above tells us that hope deferred makes the heart sick Deferred means to be delayed or to be postponed temporarily I hope that you have grasped our first point Our first point being that what you are hoping for is not gone or lost and not within your grasp and your future It is just delayed and just temporarily postponed If deferred hope makes the hearts sick what does the lack of or the perception of no hope do to a person Do not believe the lie that there is never any hope There is always hope That thing that you are expecting and dreaming about will eventually and assuredly happen and come to pass Even if your at the end of your rope hang on push in and press forward there is always hope
